### **I. About AEPA**

Welcome to The Association of Educational Purchasing Agencies (AEPA) annual bid solicitation. AEPA is a unique school procurement consortium established in 2000, and incorporated in 2007 under the state laws of Nevada. We are consortium of non-profit public agencies representing twenty-eight (28) states. We joined to issue simultaneous Invitations for Bids (IFB) generating sales for vendor partners in forty-nine (49) states. AEPA's mission is to cooperatively serve our members through a continuous effort to explore and solve present and future purchasing needs. Our goal is to secure multi-state volume purchasing contracts with benefits for our public members that are measurable, cost-effective, and exceed members' expectations for customer service and value. AEPA is committed to accomplish this mission lawfully and ethically, using leading edge technology and contemporary business practices.

The advantage for vendors to work with AEPA is that you respond to one bid that is legally performed across as many as 28 states, which have the potential to sell nationwide. You are working with up to 28 agencies with a long and trusted history with their public membership. Through our partnerships, AEPA vendors have access to thousands of public agencies across the country. We are a multi-million-dollar procurement group through our current awarded vendors and are growing.

AEPA designates one Member Agency per state that is operating legally under the rules and regulations of that state. Any additional agencies that wish to participate will negotiate with the authorized Member Agency and participate through them in a manner in which they mutually agree is not in conflict with AEPA procedures. The Member Agency will be the only agency allowed to represent that state at AEPA and will be the only communication link between AEPA and that state.

Each Member Agency, along with the awarded Vendor Partner, represents, supports and promotes the AEPA contracts within their respective state. While the consortium was initially created to support educational entities, the Member Agency for each state determines which public entities (higher educational institutions, cities, counties, townships, states, etc.) can utilize the competitively bid contracts (see the Summary of State Participation by Bid Category Table). Participating entities may include Public and Private School Districts, Educational Service Agencies, Intermediate School Districts, Higher Education Institutions, Federal Agencies, State Agencies, Local Public Bodies and Nonprofit Non-Public Corporations, Organizations, other entities contracted to conduct business on behalf of a participating entity provided they are required to follow member state and local procurement regulations, etc. that have authorizations to utilize the AEPA Member Agencies' Awarded Contracts.

AEPA has an elected President, Vice President, Secretary and Treasurer. Operations are overseen by the Executive Director. The AEPA Board representing 28 states meets twice per year, and operates otherwise through a sophisticated committee structure.

## II. Bid Procedures

### A. Issuing Agency

The great benefit to the Bidder is that one response may be prepared for approval by AEPA and awarded by multiple AEPA Member Agencies and utilized by their Participating Entities located throughout many states. Bidders responding to this IFB will submit their response in the required formats (PDF, Word, Excel) of all files requested along with complete catalogs via Public Purchase, a free online bidding platform, by the due date and time of this IFB. Bidders selected in response to this single IFB have the potential to provide products and services to local education agencies serving over 36,000,000 (excludes non-represented AEPA states) students.

Each AEPA Member Agency will individually publish notice of the IFB. Bidders will submit their response online, electronically via Public Purchase ([www.publicpurchase.com](http://www.publicpurchase.com)). Responses will be evaluated by bid category committees comprised of AEPA Member Agencies representatives who have indicated they will participate in the category of products and services being solicited, and after AEPA approval, individual AEPA Member Agencies may award contracts to the AEPA Approved Vendor Partners or reject their offers.

The procurement activities of AEPA are limited to document preparation, distribution of the IFB, initial evaluation, and recommendation for possible approval to AEPA Member Agencies. AEPA consists of agency officials who have agreed to assist one another in meeting the public purchasing needs of local school districts and other political subdivisions.

Contracts awarded through cooperative purchasing must meet the procurement laws of the states of each AEPA Member Agency. When these laws are satisfied, an individual entity using these contracts is deemed in compliance with bidding regulations. As allowed by specific state statutes, they can issue purchase orders for any amount without the necessity to prepare their own IFB, Request for Proposal (RFP), or Request for Quotations (RFQ). This saves the entity time and allows for economical and efficient purchasing.

**AEPA requires that Bidders only respond if they are able to offer prices equal to or better than what they ordinarily offer to individual entities or cooperatives with equal or lesser volume.** State laws that permit or encourage cooperative purchasing contracts do so in the belief that it saves the participants both time and money. Time is saved by having access to volume discounted contracts publicly solicited and being able to purchase what is needed without having to wade through the solicitation process (write solicitation, advertise the IFB, open each response, evaluate and make a selection). Money is saved in procurement cost and lower prices will be the result of volume purchasing. Therefore, a contract issued by a cooperative can be used by hundreds of separate political units; but if it has the same or higher prices than what a single agency or state contract can get through its own bid, a cooperatively bid contract may not be attractive to these members. We request that bidders respond with an advantageous package so that together we can attract members to prefer the cooperatively awarded contract.

The AEPA policy for membership permits new agencies to become AEPA Member Agencies upon approval of existing members. If additional Agencies are added, they and their members may procure from existing contracts upon approval of the awarded Vendor Partners and in accordance with their state laws.

#### **B. Questions**

All questions from Bidders must be submitted online through Public Purchase, AEPA will not accept questions in any other format during the bid process. All questions received during the IFB process will be available via Public Purchase. All Bidders will be automatically notified through email when AEPA responds to a question asked by a Bidder. It is the Bidders responsibility to check Public Purchase for any questions and answers prior to the bid deadline. Questions received after the question deadline date will not be answered.

Should AEPA issue an addenda during the solicitation process, all Bidders will be automatically notified through email of the released addenda. AEPA is not responsible for Bidders not acknowledging the issued addenda and not submitting a response according to those changes.

Questions regarding this IFB after Bid Opening, but prior to the approval of the contract, should be submitted to [questions@aepacoop.org](mailto:questions@aepacoop.org).

Questions regarding this IFB after Notification of Approval should be submitted to [bid-committee@aepacoop.org](mailto:bid-committee@aepacoop.org).

#### **C. Bidder Qualifications**

An essential part of the bid evaluation process is an evaluation to qualify the company being considered. All bids must contain answers, responses and/or documentation to the information requested in the Bid Documents. Any Bidder failing to provide the required information/documentation may be considered non-responsive, this includes submitting a response not in the proper format.

Bidders, within their response, must demonstrate their ability, capacity and available resources to provide the proposed products and services to 90% of the AEPA Member Agencies indicating an interest in participating in the categories being solicited, unless otherwise noted in Part B – Technical Specifications of the category being bid. The Bidders are required to communicate and demonstrate within their response they have extensive knowledge, background and at least five (5) years of experience with manufacturing, obtaining, delivering, installing, maintaining and/or supporting the product lines of products, equipment, services or software offered. AEPA and/or its Member Agencies reserve the right to accept or reject newly formed companies or companies failing to demonstrate their abilities or capacity solely based on information provided in the bid response and/or its own investigation of the company.

#### **D. Bid Security**

If required, bids shall be accompanied by a satisfactory bid security. This will vary by category and will be noted in Part B, Technical Specifications.

If a bid security is required, a hard copy of the bid security must be in the actual possession of AEPA at Oakland Schools, 2111 Pontiac Lake Road, Waterford, MI 48328, on or prior to the exact due date and time. Original copies of the bid security, must be submitted in a sealed envelope properly addressed to the Association of Educational Purchasing Agencies, with the Bid Number, Bid Category and Bidder's name and address clearly indicated on the envelope or box. Bid securities received late will not be opened and will be deemed non-responsive.

A bidder must also include a PDF copy of the bid security with their response on Public Purchase. If a Bidder fails to submit a copy of the bid security via Public Purchase and/or fails to submit the bid security by the due date and time, its response shall be deemed non-responsive and will not be considered.

An acceptable bid security will have the principal being the Bidder and the Association of Educational Purchasing Agencies listed as the Agency of Record. Bid Security may be a one-time bid bond underwritten by a surety company licensed to issue bid bonds in the state of Nevada and said surety to be approved in federal circular 570 as published by the United States treasury department or the equivalent in cash or an irrevocable letter of credit from a FDIC financial institution. The bid security shall remain in force for one hundred twenty (120) days of bid opening.

The selection and quantity of line items evaluated will be at the sole discretion of the AEPA evaluators;
- f. The evaluation committee may consider such factors as life-cycle costs, total cost of ownership, quality, and the suitability of an offering in meeting AEPA members' needs.
- g. Based on the cost evaluation, a recommendation will be made to approve a single Bidder or make a multiple Bidder award.

**G. Contract Award and Implementation**

An AEPA category committee will perform initial bid response review and evaluation and will prepare and make a recommendation to AEPA for its consideration and approval. Those selected Bidders who are approved by AEPA will then be considered by the individual AEPA Member Agencies for contract award. It should be noted that once AEPA has approved the bid response, a Bidder becomes a “Vendor Partner” for AEPA.

Recommendations for approval by AEPA will be posted to Public Purchase and the AEPA website.

*Once the approved Bidders have been notified, it is their responsibility to contact those AEPA Member Agencies (up to 28) who had indicated an interest in participating and send Part C (if applicable), Part D, E and F to each of the participating AEPA Member Agencies. Each AEPA Member Agency will review, evaluate and determine which, if any, it will award contracts to.*

### **III. Responsibilities of A Vendor Partner**

A. As an approved AEPA Vendor Partner, the following is expected in support of the contract:

7. Attendance at the two (2) AEPA meetings which provides for opportunity to interact with Vendor Partners.

## V. **General Terms and Conditions for All Agencies**

***For the purposes of this INVITATION FOR BID, the following terms shall be defined as indicated below, and constitute the general terms and conditions for all AEPA Member Agencies:***

**Administrative Fee:** The percentage of sales that each Vendor Partner pays the Member Agency for sales in their respective state or states that they extend the AEPA pricing to. Administrative Fees shall be paid to each Member Agency on a quarterly basis. See the Summary of State General Overview for the administrative fees by Member Agency (state).

**Advertising:** Vendor Partner shall not advertise or publish information concerning this contract prior to the award being announced by the AEPA Member Agencies. Once the award is made, the Vendor Partner may advertise to the individual Participating Entities that products/services are available. Vendor Partner shall submit ad copy to the AEPA Member Agency for review and approval prior to issuing the advertisement.

**AEPA Bi-Annual Meetings:** AEPA holds two general meetings each year: one in the Spring (usually in the months of April or May) and the other in the Fall (currently the week after Thanksgiving). AEPA requires that all successful contract holders attend both meetings and participate in the vendor round tables at the Spring meeting. AEPA request that all vendor partners register in advance and stay at the AEPA official hotel if rooms are available. All registrations for the meetings are required by the official registration due date as announced by AEPA.

**AEPA Member Agency:** Refers to the entities identified in the table in Part I of this document. Member Agencies participating in a particular bid category are listed on the table presented in Part B - Specifications, Item 3: Anticipated Member Agency Participation. "Direct or Indirect Participation" may include their involvement through the formulation of any part of a procurement activity; the influencing of the content of any term, condition and/or specification; the evaluation, investigation, auditing and/or the rendering, of advice, recommendation, decision, approval, disapproval and the award and implementation of procurement contract. Not every listed entity may elect to participate in this bid once the responses are reviewed and approved.

**Affirmative Action:** An Affirmative Action Plan, Certificate of Affirmative Action, or other documentation regarding Affirmative Action may be required by AEPA Member Agencies. Vendors must comply with requirements and/or requests for information regarding Affirmative Action by Member Agencies.

**Amendment of Bid:** A bid may be amended up to the time of opening by submitting a sealed letter to the place where the bids are received as indicated on the front of this solicitation.

**Applicable Law:** The laws of the state of the respective AEPA Member Agency shall govern any resulting contract of this bid. Suits pertaining to this contract may be brought only in courts in the County and State as prescribed by the AEPA Member Agency. Both parties agree that the Uniform Commercial Code, as adopted by the State of the AEPA Member Agency, shall fully apply. The Vendor Partner shall comply with any and all laws, whether local, state, federal or otherwise, applicable to any aspect of the work to be performed in relation to the resulting contract. It shall be the Vendor Partner's responsibility to identify, make themselves aware of and determine the applicability and requirements of any such laws and to abide by them.

**Approval and Awarding of Contract:** AEPA and its AEPA Member Agencies reserve the right to approve and award a contract to one Bidder, to make multiple approvals and awards, to reject any or all bids in whole or in part, to waive any minor formalities or irregularities in any bids, and to accept

bids, which in its discretion and according to law may be in the best interest of the AEPA Member Agencies and their Participating Entities. A response to this solicitation is an offer to contract with the AEPA Member Agencies based upon the terms, conditions, and scope of work and specifications contained in this invitation. A solicitation does not become a contract unless and until it is accepted, recommended and approved by AEPA and awarded by the individual AEPA Member Agency. A contract is formed when an AEPA Member Agency administrator and, if required, an AEPA Member Agency Board approves and signs the Acceptance of Bid and Contract Award Form (see Form E) document, eliminating the need for a formal signing of a separate contract.

**Assignment:** No right or interest in this contract shall be assigned or transferred by the Vendor Partner without prior written permission by AEPA and its AEPA Member Agencies, and no delegation of any duty of the Vendor Partner shall be made without prior written permission by the AEPA Member Agency. AEPA and its AEPA Member Agencies shall not unreasonably withhold approval and shall notify the Vendor Partner within fifteen (15) days of receipt of written notice by the Vendor Partner.

**Audit Rights:** In accordance with applicable law of the State of the AEPA Member Agency, the Vendor Partner's books and pertinent records related to this contract may be audited at a reasonable time and place.

**Authority:** This solicitation, as well as any resulting contract/agreement, is issued under the general authority of the State laws of the AEPA Member Agency and those identified within the AEPA Member Agencies' Specific Terms and Conditions, Part C, (see also Procurement Code). Internal or external Cooperative Purchasing Agreements between the AEPA Member Agency and Participating Entities may exist.

**Bid Opening:** Bids shall be opened in the manner designated in this document.

**Bidder/Vendor Partner Definitions:**

**Bidder, Offeror and Vendor Partner** are interchangeable and are used to identify the person(s) or firm(s) submitting a response to an Invitation for Bid.

1. Prospective Bidder: has notified AEPA of a desire to bid by registering on the AEPA website. "Bidder" has submitted a bid to AEPA in response to an Invitation for Bid (IFB).
2. Recommended Bidder: has been approved by AEPA for its AEPA Member Agencies for contract consideration.
3. Vendor Partner: has entered into a contract with a participating AEPA Member Agency or subsequently a Participating Entity.

**Bidder Acceptance Period:** In order to allow AEPA Member Agencies the opportunity to evaluate the bids, AEPA requires that a bid in response to this solicitation be valid and irrevocable for one hundred twenty-days (120) after opening time and date.

**Bonding (required for construction projects):** The Vendor Partner agrees to provide all performance and payment bonds executed by a surety company authorized to do business in the individual AEPA Member's state and said surety to be approved in federal circular 570 as published by the United States treasury department, the state or the local governing authority, in an amount equal to one hundred percent of the price specified in the contract; when required by an AEPA Member Agency or Participating Entity at the time a contract is executed. If the Vendor Partner fails to deliver any required performance or payment bonds, the AEPA Member Agency or Participating Entity shall not execute the contract with the Vendor Partner and the appropriate AEPA Category Committee shall be notified of such failure and shall take the appropriate action.

**Brand Names:** The use of the name of a manufacturer, brand, make or catalog number does not restrict the Bidder. Brand names and model numbers are used to indicate the character, quality and/or performance equivalence of the commodity on which bids are submitted. Bidders may submit alternates. However, the AEPA reserves the right to decide whether alternatives to the identified manufacturer and brand are in fact equal to the product, equipment and/or service described in the invitation. AEPA's decision shall be final.

**Buyer:** Identifies the AEPA Member Agencies and their Participating Entities that acquire and purchase commodities, supplies, materials, equipment and services under AEPA Member Agencies' awarded contracts.

**Captions, Headings and Illustrations:** The captions, illustrations, headings and subheadings in this solicitation are for explanation only and in no way define, limit or describe the scope or intent of the request.

**Certification:** By signature in the bid section of the Contract Award page, the Bidder certifies: the submission of the bid did not involve collusion or other anti-competitive practices; the Bidder shall not discriminate against any employee, or applicant for employment in violation of Federal and State Laws (see Federal Executive Order 11246); the Bidder has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with the submitted bid; and the Bidder agrees to promote and offer to AEPA Member Agencies and Participating Entities only those materials and/or services as stated in and allowed under resultant contract(s) awarded.

**Christian Doctrine:** Any federal, state and local governing authority's/jurisdiction's statutes, codes, rules and regulations referenced and/or govern the products, services and activities relating to and are part of this solicitation, whether or not physically noted or included, shall be complied with and adhered to as required. It is sole responsibility of the Bidder to perform and complete any necessary research and investigation required to make themselves aware of and comply with this item.

**Clarification:** As used in this solicitation, clarification means communication with a Bidder for the sole purpose of eliminating minor irregularities, informalities or apparent clerical mistakes in the bid. It is achieved by explanation or substantiation, either in response to an inquiry by the AEPA Member Agency or as initiated by the Bidder. Clarification does not give the Bidder an opportunity to revise or modify its bid.

**Commercially Available Catalog:** A published paper catalog or an online website that is widely distributed or accessible. It is made available to the general public or schools and contains a verifiable price, along with product descriptions, SKU numbers, and photographs. A commercially available catalog is distinct from a custom catalog or website, whose prices and offerings are tailored to niche audiences.

**Competitive Range:** AEPA and its AEPA Member Agencies reserve the right to establish a competitive range of acceptable responses as part of the evaluation process as defined herein. Responses below the competitive range will be determined to be unacceptable and will not receive further consideration.

**Contract Documents:** AEPA Member Agency will review proposed contract documents. Vendor Partner's contract document shall not become part of AEPA Member Agency's contract with Vendor Partner unless and until an authorized representative of an AEPA Member Agency reviews and accepts it.

**Construction:** Each AEPA Member Agency within their state statutes defines what constitutes construction, identifies the policies, rules, regulations and codes that govern construction projects.

AEPA has defined construction as building, altering, repairing, installing or demolishing in the ordinary course of business any road, highway, bridge, parking area or related project; building, stadium or other structure; airport, subway or similar facility; park, trail, athletic field, golf course or similar facility; dam, reservoir, canal, ditch or similar facility; sewage or water treatment facility, power generating plant, pump station, natural gas compressing station or similar facility; sewage, water, gas or other pipeline; transmission line; radio, television or other tower; water, oil or other storage tank; shaft, tunnel or other mining appurtenance; electrical wiring, plumbing or plumbing fixture, gas piping, gas appliances or water conditioners; air conditioning conduit, heating or other similar mechanical work; or similar work, structures or installations. Construction shall also include: leveling or clearing land; excavating earth; drilling wells of any type, including seismographic shot holes or core drilling; and similar work, structures or installations.

**Cooperative Procurement:** Some individual state procurement codes may contain cooperative purchasing statutes that state any state agency or local public body may either participate in, sponsor or administer a cooperative procurement agreement for the procurement of any services, construction or items of tangible personal property with any other state agency, local public body or external procurement unit in accordance with an agreement entered into and approved by the governing authority of each of the state agencies, local public bodies or external procurement units involved. The cooperative procurement agreement shall clearly specify the purpose of the agreement and the method by which the purpose will be accomplished. Any power exercised under a cooperative procurement agreement entered into pursuant to each state's procurement code shall be limited to the central purchasing authority common to the contracting parties, even though one or more of the contracting parties may be located in different states.

**Cooperative Purchasing Contracts:** The Bidder agrees that all the prices, terms, warranties and benefits granted by the Bidder to AEPA Member Agencies or Participating Entities through this contract **will be equal to or better than** those offered to any individual entities or cooperatives that have equal or lesser volume. If the Bidder shall, during the term of this Contract, enter into arrangements with any customer or cooperative providing greater benefits or terms that are more favorable, the Bidder shall notify the AEPA category committee chairman and offer said prices, terms, warranties and benefits to all AEPA Member Agencies. The following shall be noted:

1. AEPA and its AEPA Member Agencies reserve the right to accept or reject the Bidder's response if it is determined it does not comply with the above based on their knowledge, investigation, review and findings of Bidders' submitted prices.
2. In the event the Vendor Partner offers lower prices to another customer or cooperative, AEPA and its AEPA Member Agencies shall notify the Vendor Partner of the deviation and request written justification. Based on AEPA and its AEPA Member Agencies' investigation, review and findings, AEPA reserves the right to take the following actions: to request the Vendor Partner to immediately adjust its AEPA's offered prices to match the lower prices offered, to work with the Vendor Partner to mediate and resolve the situation; or to notify the Vendor Partner that it intends to suspend and/or terminate their contract.

**Cost of Bid Preparation:** Neither AEPA nor any AEPA Member Agency shall reimburse the cost of developing, presenting or providing any response to this solicitation.

**Credit Hold:** The Bidder must agree not to place the AEPA Member Agency and/or its Participating Entity on "credit hold" without 10-days advanced notice in writing, either by letter, facsimile or email to the AEPA Member Agency and the Participating Entity. The AEPA Member Agencies believe it is better for the Vendor Partner if the AEPA Member Agency places the slow-paying Agency Member on "credit hold;" if a Vendor Partner places the Participating Entity on credit hold, agencies that pay promptly are penalized. If, on the other hand, the Member Agency places the offending Participating Entity on "credit hold", payment is more likely to result and only the offender is disciplined.

### **Delivery Terms, Conditions and Requirements**

1. **Delivery:** is to be made within the specified time identified in Part B Specifications for each bid category, unless otherwise stipulated in writing and accepted by all parties (Buyer placing order and Vendor Partner). The Vendor Partner agrees to notify Buyer if an order cannot be processed within the specified period and/or the agreed upon timelines.
2. **The title and risk of loss of material or service:** shall not pass to the Buyer purchasing the material or services until it actually receives the material or service at the point of delivery (FOB Destination) and they have been accepted, unless otherwise provided within this document or individual project's contract.
3. **Ownership of products and services:** happens only after receipt and acceptance of delivery by the Buyer. The Buyer will be the determining judge of whether materials and services delivered under the purchase order/contract satisfy the specifications and requirements as identified in the contract/order.
4. **Fungible Goods:** Title to an undivided share or quantity of an identified mass of fungible goods will not pass to a Buyer until a separation of the purchased share has been made, delivered and received.
5. **Shipping Terms:** (See Part B Specifications for specific instructions on shipping and handling costs for the individual category you are bidding on.) Vendor Partner shall retain title and control of all goods until they are delivered and received. All risk of transportation and all related charges shall be the responsibility of the Vendor Partner, unless other arrangements have been made between the vendor partner and the AEPA Member Agency. Shipping shall be F.O.B. destination. The Vendor Partner shall file all claims for visible or concealed damage. AEPA Member Agency, or the receiving Buyer, will notify the Vendor Partner and/or Freight Company promptly of any damaged goods and shall assist the freight company/Vendor Partner in arranging for inspection. No F.O.B. vessel, car or other vehicle terms will be accepted.
  - a. **Shipping Costs:** Products may be shipped without separate shipping costs. If shipping is allowed as a separate line item per Part B Specifications and charged, the actual cost of delivery may be added to an invoice. No COD orders will be accepted unless specifically requested by the AEPA Member Agency.
  - b. **Shipment under Reservation:** Vendor Partner is not authorized to ship materials under reservation and no tender of a bill of lading will operate as a tender of the materials.
  - c. **Shipping Errors:** Vendor Partner agrees that shipping errors will be at the expense of the Vendor Partner. For example, if a Vendor Partner ships a product that was not ordered, it is the responsibility of the Vendor Partner to pay for return mail or shipment.
6. **Stored Materials (Vendor managed inventory):** Upon prior written agreement between Vendor Partner and Buyer, payment may be made for materials not incorporated in the work but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to Buyer prior to payment. Such materials must be stored and protected in a secure location, and be insured for their full value by Vendor Partner against loss and damage. Vendor Partner agrees to provide proof of coverage and/or addition of Buyer as an additional insured upon Buyer's request. Additionally, if stored offsite, the materials must also be clearly identified as property of Buyer and be separated from other materials. Buyer must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary. Until final acceptance by Buyer, it shall be Vendor Partner's responsibility to protect all materials and equipment. Vendor Partner warrants and guarantees that title for all work, materials and equipment shall pass to Buyer upon final acceptance. Payment for stored materials shall not constitute final acceptance of such materials.
7. **Improper delivery:** Unless contrary to other parts of this solicitation, if the goods, services or tender of delivery fail in any respect to conform and adhere to the terms, conditions, specifications of the resulting contract based on this solicitation and/or the individual Buyer's contract/order. The Buyer may reject the whole, accept the whole, or accept any commercial unit or units and reject the rest.
8. **Defective Goods:** Vendor Partner agrees to pay for return shipment on goods that arrive in a defective or inoperable condition. Vendor Partner must agree to arrange for return shipment of damaged goods.

9. **Liquidated Damages:** The Buyer may suffer financial loss if the project is not substantially complete or products or services are not delivered on the established date. The Vendor Partner (if applicable Surety) shall be liable for and shall pay to the Buyer, not as a penalty, the sums that may be hereinafter agreed upon as liquidated damages per calendar day of delay until the work and/or delivery is determined by Buyer to be complete and/or delivered. Liquidated damages will be determined on a project-by-project basis.
10. **No Replacement of Defective Tender:** Every tender of materials must fully comply with all provisions of this contract. If tender is made which does not fully conform, this shall constitute a breach and Vendor Partner shall not have the right to substitute a conforming tender without written consent of all parties involved.
11. **Default in One Installment to Constitute Total Breach:** Vendor Partner shall deliver conforming materials in each installment or lot of this contract and may not substitute nonconforming materials. The AEPA Member Agency reserves the right to declare a breach of contract if the Vendor Partner delivers nonconforming materials or services to any Buyer under this contract.
12. **Restocking Fees:** A restocking fee may only be charged on products ordered and that have been delivered to the Buyer's site in accordance with the order/contract. Restocking fees in excess of 15% will not be allowed. Restocking fees may be waived, at the option of the Vendor Partner. The Vendor Partner must identify, specify and justify any exceptions or deviations taken.

**Deviations or Exceptions to Requirements:** Deviations or exceptions stipulated in a Bidder's proposal may result in rendering of the response non-responsive. AEPA and its AEPA Member Agencies reserve the right to determine whether the deviation or exception does or does not serve the interest of or is not advantageous or acceptable to AEPA, its AEPA Member Agencies or Participating Entities.

**Disbarment and Suspension:** By signature accepting Terms and Conditions, it is certified on behalf of the company and their key employees that neither the company nor its key employees have been proposed for debarment, debarred, or suspended by any State or Federal Agency within the last five (5) years.

**EDGAR Compliance:** Bidders are required to complete Education Department General Administrative Regulations (EDGAR) compliance certification. EDGAR regulations govern all federal grants awarded by the U. S. Department of Education on or after December 26, 2014.

**Eligible Entities:** The individual AEPA Member Agency's state procurement code and statutes provides for cooperative procurement and identifies those types of agencies, entities and organizations that are allowed to participate in and take advantage of cooperative procurement contracts solicited and approved by AEPA and awarded by AEPA Member Agencies. Therefore, depending on the individual state procurement codes and statutes federal agencies, state agencies, local public bodies and Non-Profit/Non-Public entities may be allowed to participate in and utilize AEPA solicited, approved and AEPA Member Agency awarded contracts.

**Estimated Quantities:** In Part B: Bid Specifications of this solicitation AEPA and AEPA Member Agencies have indicated their anticipated volume for the products and services being solicited in this solicitation. It is anticipated that a considerable amount of activity will result from this solicitation; however, there is no guarantee of future order quantities due to the fact that this is an indefinite quantity contract. Usage depends on the actual needs of the AEPA Member Agencies, their Participating Entities and the marketing by the Vendor Partner.

**Experience, Proven Track Record and Past Performance Information:** has been determined by AEPA and its AEPA Member Agencies to be a major factor in consideration if a Bidder possesses the ability, capacity and resources to acquire, manufacture, deliver, construct, install, services and support all of the procurement functions and activities involved in a national contract of this nature. AEPA and its AEPA Member Agencies reserve the right to accept or reject an offer, if in its judgment, the Bidder

failed to demonstrate the following: a proven track record in the products and services offered (qualifications, knowledge and background); is willing and able to deliver the proposed products and/or services to ninety (90%) percent of those participating AEPA Member Agencies identified in Part B (unless otherwise noted in Part B.): Specifications; and has provided relevant information regarding its actions under previously awarded contracts to schools, local, state, or federal agencies. It includes the Bidder's record of conforming to specifications and to standards of good workmanship; the Bidder's record of containing and forecasting costs on any previously performed cost reimbursable contract schedules, including the administrative aspects of performance; the Bidder's history for reasonable and cooperative behavior and commitment to customer satisfaction; and generally, the Bidder's businesslike concern for the interests of the customer.

**External Procurement Unit:** means any procurement organization not located in a current AEPA Member Agency state which, if located in the state, would qualify as a federal or state agency or a local public body. Various state procurement codes allow external procurement units to offer their contracts and for agencies within those states to utilize those contracts to acquire goods and services.

**Federal Agency [25] USC 3001 (4):** Is defined as any department, agency, or instrumentality of the United States, any executive department, military department, government corporation, government-controlled corporation, or other establishment in the executive branch of government, including the Executive Office of the President or any independent regulatory agency established through legislative and/or administrative action.

**Federal Requirements:** Vendor Partner agrees, when working on any federally assisted projects with more than \$2,000 in labor costs, to comply with the Contract Work Hours and Safety Standards Act (40 U.S.C. 328 et seq.) and all applicable sections of the act and the Department of Labor's supplemental regulations (29 CFR parts 5 and 1926), the Civil Rights Act of 1964 as amended, the Davis-Bacon Act (Section 29, CFR Part 5), the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in the Department of Labor regulation (29 CFR part 3), and the Equal Opportunity Employment requirements of Executive Order 11246 as amended by Executive Order 11375 (Labor regulations (41 CFR Part 60)). In addition, to comply with the Copeland Act, the Vendor Partner must submit weekly payroll records to the AEPA Member Agency. The Vendor Partner must keep records for three (3) years and allow the federal grantor agency access to these records, upon demand. All federally assisted contracts to an AEPA Member Agency that exceed \$10,000 may be terminated by the federal grantee for noncompliance by the Vendor Partner. In projects that are not federally funded, Bidder must agree to meet any federal, state or local requirements, as necessary. In addition, if compliance with the federal regulations increases the contract costs beyond the agreed on costs in this solicitation, the additional costs may only apply to the portion of the work paid by the federal grantee. On all other projects, the prices must agree with this contract. Vendor Partner shall comply with all applicable standards, orders, or requirements issued under Section 306 of the Clean Air Act (42 U.S.C.) 187 [h], and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et. Force majeure shall not include late deliveries of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, an oversold condition of the market, inefficiencies, or similar occurrences. If either party is delayed at any time by force majeure, the delayed party shall notify the other party in writing of such delay within forty-eight (48) hours.

Vendor Partner's obligation under this section will not extend to any liability caused by the sole negligence of AEPA, its Members, participating Entities, its employees. The liability of AEPA, its Members, Participating Entities or its employees will be subject in all cases to the immunities and limitations of Nevada or the AEPA Member Agency's state laws. 2. **Subcontractor's Insurance:** Prior to commencing any work, any Subcontractor shall procure and maintain, at its own expense until final acceptance of the work, insurance coverage in a form and from insurers acceptable to the prime Vendor Partner. All Subcontractors shall hold the appropriate type and amount of insurance coverage required by the AEPA Member Agency state in which the work is being done and will provide insurance, which waives all subrogation rights against the prime Vendor Partner, AEPA Member Agency and its Participating Entities.

**Legal Remedies:** All claims and controversies shall be subject to the Procurement Code of the state in which the AEPA Member Agency or Participating Entity resides.

**Licenses and Registration:** Each state and local jurisdictions in which a transaction may occur may require various types of licenses and/or registrations (business, construction Vendor Partner, etc). Likewise, there are various policies, procedures, rules, regulations, codes and laws that govern such licensing/registration within federal, state and local jurisdictions, therefore, it is the Bidder's/Vendor Partner's responsibility to be aware of, obtain and maintain in current status all federal, state and local licenses, registrations and bonds required for the performance and delivery of any and all products and services offered in its response to this solicitation. It is also the responsibility of the Bidder/Vendor Partner to ensure that any Subcontractors performing under this bid hold and maintain the appropriate licenses/registrations. Bidders of software, mechanical devices, electrical products/systems and other commodities that make up systems/networks must be able to provide the same information from a manufacturer.

**Modification by Buyer:** Vendor Partner shall have no obligation with respect to any patent and copyright infringement claim based upon Buyer's modification of the equipment and/or software, or its operation or use with apparatus, data or programs not furnished by Vendor Partner. However, one Buyer's action will not preclude Vendor Partner's obligation to others not having modified their equipment or software.

**Money:** All transactions are payable in U.S. currency only. **Multiple Approvals and Awards:** Throughout the United States, AEPA Member Agencies have a large number of Participating Entities who take advantage of and utilize awarded contracts. In order to assure that any issued contract will allow these entities to fulfill current and future needs and requirements, AEPA and its AEPA Member Agencies reserve the right at its discretion to approve and/or award one contract, multiple contracts or no contracts. **Pricing:** AEPA has identified and stipulated the type of bid and the pricing methodologies that are to be utilized to price and submit bid prices. The Vendor Partner agrees that the cost for any item bid or offered on this contract will be uniform for all states, and that any differences in pricing are due to state specific installation and labor costs, AEPA Member Agency's Administrative Fee, or other approved reasons. The Bidder must provide their pricing as requested utilizing the various pricing methodologies specified. **The Bidder/Vendor Partner must agree that they will not offer or provide a better price to any individual entities or cooperatives with equal or lesser volume than that through AEPA.** Please note the following that relate to pricing:

1. **Primary Pricing Strategies:** All Bidders will be required to submit "Primary Pricing" in the form of either "Catalog Pricing" or "Line-Item Pricing" or a combination of these two pricing strategies as defined in Part B, bid specifications. Bidders are also encouraged to offer OPTIONAL pricing strategies including "Hot List" and "Volume Discounts".
  - a. **Catalog Pricing:** Catalog pricing is utilized when the products and/or services solicited are clearly identified with set and specific characteristics, attributes and configurations that are identifiable as a stand-alone single unit and can be listed and priced as a single unit with options that can be added to enhance and/or improve its operation and functionality. The Bidder offers a fixed discount(s) off retail price, catalog price, published price or list price. The discounts may be for the entire commercially available catalog, for specific products, product lines, manufacturers or category of products as determined by the Bidder.
    - i. **Discounts:** Discount offers must clearly identify percent of discount to apply to a commercially available catalog, manufacturer, MSRP, retail or nationally published price lists. Bidders shall identify and stipulate if the discounts apply to the entire catalog/price list, specific product lines, manufacturers and/or categories of products. Bidder shall agree that there will be no reduction in discount(s) during the term of the contract.
    - ii. **New Catalogs/Price Changes:** New catalogs and corresponding nationally published price lists may be submitted throughout the term of the contract and

shall be submitted to the AEPA Category Committee for review prior to release to all AEPA Member Agencies. Prices may change based on manufacturer's price changes, new published pricing or price lists, but the original discount bid shall remain firm for the duration of the contract.

- iii. **Core List:** In a Catalog Priced bid, a category (i.e. office supplies) may include a "core list" which contains a selection of the most commonly used products/services with the expectation that a deeper discount would be bid for these items. If a new catalog and price list is published during the contract term, the original discounts shall be applied to the new published prices to establish the AEPA price for these core items.
  - iv. **Product Addition/Discontinuation:** New products, within the same scope of work, may be added at the established percentage discounts at any time. Discontinued products may be dropped at any time during the year. In the event a Core item is discontinued by the manufacturer during the term of the contract, Vendor Partner is required to add a functionally equivalent substitute at the same discount structure.
- b. **Line-Item Pricing:** Line-item pricing is utilized when products and/or services that are broken down in detail by element, component, product categories, product type and each product and/or service is presented as an individual item which needs to be combined with other items to make up a final project or solution. The Bidder offers firm pricing for specific line items in response to this bid; a project's cost is derived by the Vendor Partner preparing and providing a quote based on the project's terms, conditions and requirements based on the line item pricing provided in the bid. The information provided in this bid for each item includes: Product Category, Product Description, Manufacturer, Manufacturer SKU, Vendor SKU, Unit of Measure, Item List Price, AEPA Bid Price.
- i. **Fixed prices:** Prices bid shall be firm until each anniversary date of contract, unless there is an occurrence of one or more economic price adjustment contingencies outlined in the bid. Fixed price offers shall include prices for any and all items.
  - ii. **Routine Price Adjustments (Without Economic Price Adjustment):** Vendors may request adjustments to the prices by submitting a fully documented written request to the AEPA Category Committee Chairperson. The request must specifically detail and document the cause and/or reason for price changes and include any supporting documentation (manufacturer's letter, indexes, etc.). All price changes require approval by the AEPA Category Committee and Member Agencies.
  - iii. **Unpredictable Economic Price Adjustment:** If economic price adjustment contingencies occur, Vendor Partner may submit a fully documented request (manufacturer's letter, indexes, etc.) for price adjustment to AEPA Category Committee for review and approval by the committee and the AEPA Member Agencies. The documentation must substantiate the cause and/or reason for the requested price increase and demonstrate that it was unpredictable at the time of bid submittal and/or contract renewal and out of the Vendor Partner's control. Pricing will take effect thirty (30) days after approval and acceptance.
  - iv. **New Products/Services:** Vendor Partner may submit new products or technologies that are within the original scope of work for the bid, to be added to the contract pending review and approval of the AEPA Category Committee. Requests should be submitted to the AEPA Category Committee for review and written approval.
- c. **Automated System for Pricing (ASP):** The method consisting of an ASP and/or software application (e.g. RSMeans) that is self-contained and consists of a turn-key solution that includes a complete line-item listing of all of the products, supplies, materials, equipment, services, accessories and options with their description, specifications, terms, conditions and associated pricing for each item, sub-assemblies and/or assemblies. The Bidder provides a percent of discount or fixed multiplier/factor to be applied to total project cost to allow for individual state conditions and requirements and to arrive at the AEPA price.

- d. **RSMeans (Construction Related Bids only):** It is important for Vendor Partners to breakout all costs (quantity and price) of all items listed under RS Means or an Alternative Pricing method. This includes all quoted items not on the approved AEPA bid submittal. The following are minimum requirements for using RSMeans for quoting projects to AEPA Member Agencies:
  - i. The Contractors must use the current year and standard cost data. Only the following cost data titles will be excepted:
    - a. Building Construction Cost Data Book
    - b. Facilities Construction Cost Data
    - c. Facilities Maintenance & Repair Cost Data
    - d. Site Work & Landscape Cost Data Book
  - ii. All work proposed under RSMeans must use RSMeans format, even if subcontractors are used.
  - iii. An RSMeans spreadsheet must be submitted to substantiate the quote given to the AEPA Member Agency. The spreadsheet columns must reveal the full RSMeans number and a sufficient amount of the description. This also applies to change orders.
  - iv. Pricing must be done by Location codes. National Average will not be allowed. In order to choose the “closest” location code, the first three (3) numbers of the zip code will be used to determine the city location index in the AEPA Member Agency State.
  - v. The AEPA contract holder factor, bonding cost, AEPA discount and taxes if applicable must be shown as separate line items at the bottom of the RSMeans spreadsheet. This information can be shown on a separate summary sheet. The summary sheet must start with the RSMeans spreadsheet total and show the detail for each of the items stated above. This detail will be provided to that AEPA State Agency and the AEPA Buyer as required.
  - vi. All change orders which list items covered by RSMeans must be supported by an RSMeans spreadsheet.
  
- e. **Alternative Method of Costing:** This method covers any product and/or service not covered by catalog pricing, published price list, line-item price list, automated system for pricing, or is a product and/or service due to the projects or applications specifications, conditions and /or requirements that need to be custom designed, developed, manufactured and/or produced to meet the requirements of an individual, project or sole source. The alternative pricing is calculated as follows:
  - i. The Bidder must prepare, issue and receive three written quotes from available suppliers and select the supplier that offers the products and services that meet the stipulated requirements and specifications, offers the best value, and the most cost effective solution. All quotes must be made available upon request.
  - ii. The Bidder must indicate the percent of overhead and /or markup as part of their response to be added to these costs to obtain the normal and customary retail price.
  - iii. The AEPA price is calculated by taking the product and services to cost to the Contractor plus the indicated percent of profit/overhead to equal the normal and customary retail price. The Contractor will then subtract the approved AEPA discount to obtain the AEPA price. Example: item cost \$1,000; percent of profit/overhead of 20% equals retail price of \$1,200; less the AEPA discount of 10% or \$120 equals the AEPA price of \$1,080.
  
2. **Secondary Pricing Strategies (Catalog Bids only, see Part B for category designation):** Bidders are required to offer Customized Price Lists (Catalog Bids ONLY) and encouraged to offer Hot Lists and Volume Discounts as follows:
  - a. **Customized Price List:** Bidders are required to offer customized price lists to Participating Entities for items within the Bidder’s Commercially Available Catalog for Catalog Bids ONLY (not pertinent to Line Item Bids). Customized price lists shall be allowed under the following conditions:
    - i. Items within the Vendor Partner’s Commercially Available Catalog may be included on

- the customized price list providing they are not already on the Core Item list.
- ii. Items are to be determined by the Participating Entity; Vendor Partner may object to up to ten (10) of the suggested items proposed by the customer and must offer substitutes until an agreement of the customized list is reached.
  - iii. Items on the customized price list shall be sold with an additional discount (deeper than what was originally bid on the non-core or catalog discount)
  - iv. Items may not include special order or customized service products unless agreed to by the Vendor Partner.
- b. **Hot List Pricing:** Bidders are invited, at their option, to offer a selection of products/services, defined as a Hot List, at greater discounts than those listed in the standard catalog or core list discounts. Special, time-limited reductions are permissible under the following conditions: The price reduction is available to all AEPA Member Agencies equally. The price reduction is for a specific time period, no less than thirty (30) days. May be used to discount and liquidate close-out and discontinued products/services as long as those items are clearly labeled as such. The original price for products/services is not exceeded after the time limit. The AEPA Category Committee and all AEPA Member Agencies shall be notified of any special or time limited price reduction. New prices must be on record fifteen (15) days prior to any offer of the new prices being proposed or offered to AEPA Member Agencies and Participating Entities. Pricing for all Hot List items must be updated on the Vendor Partner's online catalog and submitted to all AEPA Member Agencies in an electronic format that can be posted to websites, emailed and shared with Participating Entities/Buyers.
- c. **Volume Price Discounts:** Bidders are encouraged to offer additional pricing discounts that may be offered for a group of agencies in a local geographic area that desire to combine requirements (one time purchase or annual spend), i.e. local city, county, school district(s), etc. and/or for large one time purchases. Additional volume price discounts are permissible under the following conditions: Discounts should be tiered and based on spend ranges as established by the Bidder on the Pricing Forms. Volume determination shall be determined between the Vendor Partner and the individual Buyers on a case-by-case basis. All additional discounts are to be offered equally to all AEPA Member Agencies and Participating Entities and be based on the Volume Price Discounts originally bid providing the same or similar volume commitment, specific needs, terms and conditions, a similar time frame, seasonal considerations and provided the same manufacturer support is available to the Vendor Partner.

**Prime Vendor Partner:** For the purpose of this bid, a Vendor Partner will be considered a prime Vendor Partner and not a Subcontractor. Any Vendor Partner paid directly by the AEPA Member Agency or Participating Entity is a prime Vendor Partner; a Vendor Partner pays a Subcontractor. Prime Vendor Partners using Subcontractors are responsible for all actions of its Subcontractors.

A specification may be expressed as a standard, a part of a standard, or independent of a standard; by specifying a manufacturer's brand and model. No specification is intended to unnecessarily limit competition by eliminating items capable of satisfactorily and/or meeting the actual needs of the procurement. When a brand name product is specified and is only available for a single source, Bidders are encouraged to offer alternative products which they believe to adhere to and comply materially, functionally and operationally equal to or better than the brand name product specified. Any Bidder believing a specification is unnecessarily restrictive, shall indicate such in the form of a question during the solicitation process and prior to bid due date. The fact that a manufacturer or supplier chooses not to produce or supply the commodity, supply, material, equipment, software or services to meet these specifications will not be considered sufficient cause to adjudge these specifications as restrictive. If the Bidder deviates from these specifications, reasons must be stated for such deviation and state why, in their opinion, the commodity, supply, material, equipment, software or services they bid will render equivalent reliability, coverage, performance and/or service. Failure to detail all such deviations may comprise sufficient grounds for rejection of the entire bid.

The contract shall continue in accordance with the dates stipulated in the Bid and Timeline schedule located in Part A of this bid unless terminated, cancelled or extended. By mutual written agreement, the contract may be extended for three additional 12-month periods, ending on the last day of February. AEPA may choose to recommend the contract extension. If so recommended, an individual Member Agency may choose, at their sole discretion, to extend the contract. In the event AEPA does not recommend or approve a contract extension, a Member Agency reserves the right to offer month-by-month extensions not to exceed six (6) months until a new contract is awarded by that Member Agency.

**Termination by Non-Approval of AEPA:** AEPA Member Agencies on annual basis assess, evaluate and review existing AEPA vendors to determine if the organization as a whole desire to extend its approval of those vendors. If an existing AEPA vendor's approval is not extended for an additional term, the AEPA Member Agencies can not extend the dis-approved vendor's contract. (See Term of Contract and Extensions)

**Termination by AEPA Member Agency:** An AEPA Member Agency may cancel any contract secured by the solicitation without any further obligation if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract on behalf of the AEPA Member Agency is or becomes, at any time while the contract or any extensions of the contract is in effect, an employee of, or a consultant to any other party to this contract with respect to the subject matter of the contract. Such cancellation shall be effective when the parties to this contract receive written notice from the AEPA Member Agency unless the notice specifies a later time. Cancellation by one AEPA Member Agency does not require other Agencies to cancel their contracts.

**Termination for Convenience:** AEPA Member Agency reserves the right to immediately terminate this contract, without penalty or recourse, in whole or in part, if the AEPA Member Agency determines that termination is in the best interest of Participating Entities. The Vendor Partner, after receipt of a "Notice of Termination," shall not accept any new orders after the termination date specified in the notice. Any termination shall have no effect on projects that are in progress at the time the cancellation is received by the AEPA Member Agency. Vendor Partner shall be entitled to receive just and equitable compensation in accordance with applicable contract pricing for work in progress, work completed and materials accepted before the effective date of the cancellation. The Vendor Partner will not be reimbursed for any anticipated profit. The AEPA Member Agency reserves the right to cancel, or suspend the use thereof, any contract resulting from this IFB if the Vendor Partner files for bankruptcy protection, or is acquired by an independent third party. Vendor Partner may cancel this contract upon written notice to the AEPA Member Agency prior to the intended termination date (or on the yearly anniversary of the bid). Any termination shall have no effect on projects that are in progress at the time the cancellation is received by the AEPA Member Agency.

**Termination for Default:** If either party is in default under this contract, it shall have an opportunity to cure the default within the time indicated (ten business days in most states) after it is given written notice of default by the other party, specifying the nature of the default. Upon receipt of the notice of default, the defaulting party shall have ten business days to provide a satisfactory response to the AEPA Member Agency. Failure on the part of the defaulting party to adequately address all issues of concern may result in contract termination. If the default is not cured within the time specified in the notice of default, the non-defaulting party shall have the right, in addition to all other remedies at law or equity, to immediately terminate this contract. Failure to complain of any action, non-action or default under this Agreement shall not constitute a waiver of any of the parties' rights hereunder. The AEPA Member

Agency reserves the right to terminate this contract, or any part hereof, for cause in the event of any default by the Vendor Partner, or if the Vendor Partner fails to comply with any contract terms and conditions, or fails to provide the AEPA Member Agency, upon request, with adequate assurances of future performance. In the event of termination for cause, the AEPA Member Agency shall not be liable to the Vendor Partner for any amount for supplies or services not accepted, and the Vendor Partner shall be liable to the AEPA Member Agency or any Participating Entity for any and all rights and remedies provided by law. If it is determined that the AEPA Member Agency improperly terminated this contract for default, such termination shall be deemed a termination for convenience. The AEPA Member Agency will issue written notice to the Vendor Partner for acting or failing to act in any of the following:

1. The Vendor Partner provides material that does not meet the specifications of the contract;
2. The Vendor Partner fails to adequately perform the services set forth in the specifications of the contract;
3. The Vendor Partner fails to complete the work required or to furnish the materials required within a reasonable amount of time;
4. The Vendor Partner fails to make progress in the performance of the contract and/or gives the AEPA Member Agency reason to believe that the Vendor Partner will not or cannot perform to the requirements of the contract;

4. The Vendor Partner fails to follow the established procedure for purchase orders, invoices and receipt of funds as stipulated by the AEPA Member Agency.

**Termination for Non-Appropriation:** Any individual Buyer's procurement/contract covered by this bid and executed in accordance with resulting contract may be terminated if insufficient appropriations and/or authorizations do not exist due to changes in state or federal law, or because of court order, or because of insufficient appropriations made available to the Buyer's governing board and/or its State Legislature. Such termination will be effected by sending fifteen (15) days written notice to the Vendor Partner. The Buyer's decision as to whether sufficient appropriations and authorizations are available shall be accepted by the Vendor Partner and shall be final.

**Title and Risk of Loss:** The title and risk of loss of material or service shall not pass to the Buyer purchasing the material or services until it actually receives the material or service at the point of delivery, unless otherwise provided within this document.

**Trade-in Equipment:** Equipment for trade-in shall be dismantled by the Vendor Partner and removed at its expense. The conditions of the trade-in equipment at the time it is turned over to the Vendor Partner shall be the same as when the original agreement was made, except as affected by normal wear and tear from use between the time of the bid and the trade-in. Values placed on trade-in products are between the Buyer purchasing the new unit and the Vendor Partner.

**Type of Bids:** Due to the various types, kinds and levels of products and services solicited by AEPA in its IFBs; the various pricing methodologies and/or methods utilized and offered to price the various products and services offered; and the type of contracts that results from any one of AEPA's/bids, AEPA has established the following two (2) types of bids.

1. **Catalog Bid:** A catalog bid is utilized when the products and /or services solicited are clearly identified with set and specific characteristics, attributes and configurations that are identifiable as a stand-alone single unit and can be listed and priced as a single unit with options that can be added to enhance and/or improve its operation and functionality. The Bidder offers a fixed discount(s) off retail price or prices in a Commercially Available Catalog. The discounts may be for the entire Catalog for specific products, product lines, manufacturers or category of products as determined by the Bidder. See the Pricing section for detailed information on Catalog pricing.

2. **Line Item Bid:** A Line-item bid is utilized when the products and services solicited cannot be identified or listed as a single unit; consists of a number of different variable and configurations, it is necessary to identify the specific project or application; the end product or solution is made of individually priced elements or components and the end product's or solutions' cost is derived by the Vendor Partner specially prepared and providing a quote based on the project's terms, conditions and requirements. See the Pricing section for detailed information on Line-Item pricing.

**Vendor Partner:** Bidder who has been approved and awarded a contract for the delivery of construction, tangible personal property, supplies, or services in response to this IFB.

**Vendor Partner Contact:** Vendor Partner will designate one individual who will represent them to the AEPA, its AEPA Member Agencies during the contract period. This contact person will correspond with each AEPA Member Agency for technical assistance, problems, or questions that may arise. If other staff, distributors and/or independent Vendor Partners will be performing the sales or support functions for different geographical areas (states), Vendor Partner shall include instructions and contact information that can be distributed to AEPA Member Agencies upon approval of this bid.

**Warranty:** Vendor Partner warrants that all commodities, supplies, materials, equipment, software and service delivered under this contract shall conform to the specifications of this contract. All items should carry a warranty equal to the intended life cycle or a minimum 12-month manufacturer's warranty that includes parts and labor unless otherwise specified and agreed to. The manufacturer has the primary responsibility to honor a manufacturer's warranty; a distributor or dealer agrees to assist the purchaser reach a solution in a dispute with the manufacturer over a warranty's terms. Any extended manufacturer's warranty will be passed on to the Buyer. For example, if a voice board has a three-year warranty, but the board is in a turnkey system that has a one-year warranty, the voice board's three-year warranty must be honored by the manufacturer and the Vendor Partner. All extended warranties must be passed on, without exception. If, upon discovery, the Vendor Partner charges a Buyer for a replacement part that the Vendor Partner actually received at no cost under a warranty, the Vendor Partner will rebate the amount billed and the Buyer reserves the right to cancel the contract.

  - ii. **New Catalogs/Price Changes:** New catalogs and corresponding nationally published price lists may be submitted throughout the term of the contract and shall be submitted to the AEPA Category Committee for review prior to release to all AEPA Member Agencies. Prices may change based on manufacturer's price changes, new published pricing or price lists, but the original discount bid shall remain firm for the duration of the contract.
  - iii. **Core List:** In a Catalog Priced bid, a category (i.e. office supplies) may include a "core list" which contains a selection of the most commonly used products/services with the expectation that a deeper discount would be bid for these items. If a new catalog and price list is published during the contract term, the original discounts shall be applied to the new published prices to establish the AEPA price for these core items.
  - iv. **Product Addition/Discontinuation:** New products, within the same scope of work, may be added at the established percentage discounts at any time. Discontinued products may be dropped at any time during the year. In the event a Core item is discontinued by the manufacturer during the term of the contract, Vendor Partner is required to add a functionally equivalent substitute at the same discount structure.
- b. **Line-Item Pricing:** Line-item pricing is utilized when products and/or services that are broken down in detail by element, component, product categories, product type and each product and/or service is presented as an individual item which needs to be combined with other items to make up a final project or solution. The Bidder offers firm pricing for specific line items in response to this bid; a project's cost is derived by the Vendor Partner preparing and providing a quote based on the project's terms, conditions and requirements based on the line item pricing provided in the bid. The information provided in this bid for each item includes: Product Category, Product Description, Manufacturer, Manufacturer SKU, Vendor SKU, Unit of Measure, Item List Price, AEPA Bid Price.
- i. **Fixed prices:** Prices bid shall be firm until each anniversary date of contract, unless there is an occurrence of one or more economic price adjustment contingencies outlined in the bid. Fixed price offers shall include prices for any and all items.
  - ii. **Routine Price Adjustments (Without Economic Price Adjustment):** Vendors may request adjustments to the prices twice a year at the time of renewal at the AEPA Spring and Winter meetings. Vendor Partner's must submit a fully documented written request to the AEPA Category Committee Chairperson thirty (30) days prior to the AEPA meeting. The request must specifically detail and document the cause and/or reason for price changes and include any supporting documentation (manufacturer's letter, indexes, etc.). All price changes require approval by the AEPA Member Agencies.
  - iii. **Unpredictable Economic Price Adjustment:** If economic price adjustment contingencies occur, Vendor Partner may submit a fully documented request (manufacturer's letter, indexes, etc.) for price adjustment to AEPA Contract Oversight Committee for review and approval by the committee and the AEPA Member Agencies. The documentation must substantiate the cause and/or reason for the requested price increase and demonstrate that it was unpredictable at the time of bid submittal and/or contract renewal and out of the Vendor Partner's control.

- Pricing will take effect thirty (30) days after approval and acceptance.
- iv. **New Products/Services:** Vendor Partner may submit new products or technologies that are within the original scope of work for the bid, to be added to the contract pending review and approval of the AEPA Bid Oversight Committee and AEPA Membership. Requests should be submitted to the AEPA Contract Oversight Committee thirty (30) days prior to the AEPA Winter or Spring meeting.
- c. **Automated System for Pricing (ASP):** The method consisting of an ASP and/or software application (RSMMeans, Gordian) that is self-contained and consists of a turn-key solution that includes a complete line-item listing of all of the products, supplies, materials, equipment, services, accessories and options with their description, specifications, terms, conditions and associated pricing for each item, sub- assemblies and/or assemblies. The Bidder provides a percent of discount or fixed multiplier/factor to be applied to total project cost to allow for individual state conditions and requirements and to arrive at the AEPA price.
  - d. **Alternative Method of Costing:** This method covers any product and/or service not covered by catalog pricing, published price list, line-item price list, automated system for pricing, or is a product and/or service due to the projects or applications specifications, conditions and /or requirements that need to be custom designed, developed, manufactured and/or produced to meet the requirements of an individual, project or sole source. The alternative pricing is calculated as follows:
    - i. The Bidder must prepare, issue and receive three written quotes from available suppliers and select the supplier that offers the products and services that meet the stipulated requirements and specifications and the most cost effective solution. All quotes must be made available upon request.
    - ii. The Bidder must indicate the percent of overhead and /or markup as part of their response to be added to these costs to obtain the normal and customary retail price.
    - iii. The AEPA price is calculated by taking the product and services to cost to the Contractor plus the indicated percent of profit/overhead to equal the normal and customary retail price. The Contractor will then subtract the approved AEPA discount to obtain the AEPA price. Example: item cost \$1,000; percent of profit/overhead of 20% equals retail price of \$1,200; less the AEPA discount of 10% or \$120 equals the AEPA price of \$1,080.
- 2. Secondary Pricing Strategies (Catalog Bids only, see Part B for category designation):** Bidders are required to offer Customized Price Lists (Catalog Bids ONLY) and encouraged to offer Hot Lists and Volume Discounts as follows:
- a. **Customized Price List:** Bidders are required to offer customized price lists to Participating Entities for items within the Bidder's Commercially Available Catalog for Catalog Bids ONLY (not pertinent to Line Item Bids). Customized price lists shall be allowed under the following conditions:
    - i. Items within the Vendor Partner's Commercially Available Catalog may be included on the customized price list provided they are not already on the Core Item list.
    - ii. Items are to be determined by the Participating Entity; Vendor Partner may object to up to ten (10) of the suggested items proposed by the customer and must offer substitutes until an agreement of the customized list is reached.
    - iii. Items on the customized price list shall be sold with an additional discount (deeper than what was originally bid on the non-core or catalog discount).
    - iv. Items may not include special order or customized service products unless agreed to by the Vendor Partner.
  - b. **Hot List Pricing:** Bidders are invited, at their option, to offer a selection of products/services, defined as a Hot List, at greater discounts than those listed in the standard catalog or core list discounts. Special, time-limited reductions are permissible under the following conditions: The price reduction is available to all AEPA Member Agencies equally. The price reduction is for a

specific time period, no less than thirty (30) days. May be used to discount and liquidate close-out and discontinued products/services as long as those items are clearly labeled as such. The original price for products/services is not exceeded after the time limit. The AEPA Oversight Committee and all AEPA Member Agencies shall be notified of any special or time limited price reduction. New prices must be on record fifteen (15) days prior to any offer of the new prices being proposed or offered to AEPA Member Agencies and Participating Entities. Pricing for all Hot List items must be updated on the Vendor Partner's online catalog and submitted to all AEPA Member Agencies in an electronic format that can be posted to websites, emailed and shared with Participating Entities/Buyers.

- c. **Volume Price Discounts:** Bidders are encouraged to offer additional pricing discounts that may be offered for a group of agencies in a local geographic area that desire to combine requirements (one-time purchase, or annual spend), i.e. local city, county, school district(s), etc. and/or for large one time purchases. Additional volume price discounts are permissible under the following conditions: Discounts should be tiered and based on spend ranges as established by the Bidder on the Pricing Forms. Volume determination shall be determined between the Vendor Partner and the individual Buyers on a case-by-case basis. All additional discounts are to be offered equally to all AEPA Member Agencies and Participating Entities and be based on the Volume Price Discounts originally bid providing the same or similar volume commitment, specific needs, terms and conditions, a similar time frame, seasonal considerations and provided the same manufacturer support is available to the Vendor Partner.

**3. Part F - Pricing Workbook**

- a. Pricing shall be completed on the provided pricing sheets (Microsoft Excel Workbook) with the individual tables to be completed as follows:
  - i. F.1 – Catalog Discount (Required)
  - ii. F.2 –Price Schedule (Required)
  - iii. F.3 – Services Price Schedule (Required)
  - iv. F.4 – Volume Discounts
- b. Bid pricing will be evaluated on the Price Schedules. Pricing evaluation may include other considerations, including the total cost of the acquisition and whether the Proposer's offering represents the best value. See Evaluation, Approval and Award in Part A – Terms and Conditions for additional information.

**11. Evaluation**

The AEPA Committee for this category will evaluate bid responses based on the entire response, and according to the criteria detailed in Part A for AEPA's definition of Responsive and Responsible bids. A recommendation may be made to recommend a single response, or to recommend multiple bidders based on differentiation of product or service between bidders. AEPA will vote as a whole to accept or not accept a committee's recommendation. Once accepted, each recommended bid response will go to the individual states for contract approval. Please note, pricing evaluation may include other considerations, including the total cost of the acquisition and whether the Proposer's offering represents the best value. The evaluation committee may consider such factors as life-cycle costs, total cost of ownership, quality, and the suitability of an offering in meeting AEPA members' needs.

#### **4. State Specific Terms and Conditions**

##### **1. California, Monterey County Office of Education dba CalSave**

###### **1) Governing Law and Venue**

The laws of the State of California govern the Contract and prevail in the interpretation and administration of the Contract. California-specific Terms and Conditions prevail over any General Terms and Conditions. Each and every provision of law and clause required by law to be included in the Contract shall be deemed to be inserted herein, and the Contract shall be read and enforced as though it were included. If through mistake or otherwise any such provision is not included, or is not currently included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction.

The venue for any litigation arising out of or related to the Contract shall be with either the Superior Court in and for the County of Monterey, State of California or the Federal District Court for the Northern District of California, San Jose Division.

###### **2) Authority**

For California, this bid is issued under the authority of the elected Monterey County Superintendent of Schools, who administers the Monterey County Office of Education (MCOE), located at 901 Blanco Circle, Salinas California, 93912. In this document, MCOE may be referred to as Agency, being distinct from other parties who may use this contract who are hereinafter referred to as Local Education Agencies (LEAs), regardless of their hierarchy or their political and organizational status as schools or municipalities.

###### **3) CalSAVE, Administration, and Agent**

Contracts awarded and Awarded Contractors/Vendors will automatically be part of the CalSAVE program, and by bidding a vendor must agree to participate. CalSAVE is the cooperative purchasing program founded by the Monterey County Office of Education and administered by the Epylon Corporation under a contract with MCOE, in cooperation with the California County Superintendents Educational Services Association (CCSESA). MCOE is the lead agency for all Contracts, and the Monterey County Superintendent of Schools is the authority for the solicitation, evaluation and award of all contracts. Epylon serves as MCOE's agent, but only the Monterey County Superintendent of Schools has the authority to award contracts. Correspondence and communication related to the contract award or administration of the program should be directed to Epylon, 630 San Ramon Valley Blvd., Suite 210, Danville, CA 94526.

MCOE reserves the right to change agents or to change the contact name of existing Agent's personnel administering the contract. If Agent or Agent's personnel change, Awarded Contractors/Vendors will be notified with new instructions.

###### **4) Transaction Fees**

Transaction Fees are the funding source for the operation of the self-supporting CalSAVE cooperative purchasing program. Awarded Contractors/Vendors shall be required to pay a Transaction Fee for all purchases by LEAs made through the awarded Contract. For the purpose of this bid through Monterey County Office of Education and all Contracts awarded using this document, the Transaction Fee shall be 2 percent of Net Sales, which means gross sales less returns and cancelled orders within 30 days, shipping and sales and other taxes (excluding taxes based on net income). Transaction Fees will not be charged to or paid by the buyers themselves. Neither Awarded Contractor/Vendor nor its designated authorized reseller(s) shall include any additional amount corresponding to the Transaction Fees in the awarded Contract prices. This Transaction Fee applies to all orders, regardless of the method used to submit the order, or the quantity or dollar amount of the order.

Epylon will collect the full Transaction Fee on behalf of the CalSAVE program, unless otherwise advised by Epylon. The Contractor/Vendor will make all participation fee payments within two weeks after sending the quarterly report. Checks are to be made payable to the Epylon Corporation and sent to 630 San Ramon Valley Blvd., Suite 210, Danville, CA 94526.

###### **5) Non-Conforming Jurisdictions**

Notwithstanding Section A.4 (immediately above) no Transaction Fee is authorized to be charged to Awarded Contractors/Vendors for sales within any jurisdiction where prohibited by law or local government policy. Instead, the cost of products, services, licenses and goods sold under this contract in such jurisdictions shall be the same as for all school districts in all other counties of California. However, any LEA using this contract where Section 4 fees are not permitted shall be required to pay a 2 percent fee for use of the contract, imposed by MCOE on the authority of Public Contract Code Section 20118 and 20652, which allows MCOE to charge reasonable costs to the public corporation or agency for furnishing the services incidental to the purchase of items under contract.

###### **6) Reports**

The Contractor/Vendor will compile a quarterly report listing each purchase made by participating Agencies under this contract, and send them by the 15th of April, July, October, and January to Racquel Landolf with the e-mail address of

rlandolf@epylon.com. These reports shall be in Microsoft Excel format and shall have file names that identify the contractor/vendor and the month being reported. The file at a minimum shall include the fields listed below and shall allow for sorting on any of these fields:

- Date of Order
- Name of Participating Agency (LEA)
- Description of Item Purchased
- Manufacturer's SKU Number
- Quantity
- Contract Unit Price
- Extended Price
- List Price Before AEPA Discount

#### 7) Length of Term

The term of the agreement shall commence on the date of the award and continue as stipulated in General Terms and Conditions, unless terminated, canceled or extended. Contract may be terminated by MCOE if LEAs have not used the contract in any 12-month period, or if orders from participating LEAs do not total \$10,000 in any 12-month period. California statutory term limits and extensions shall apply.

#### 8) Marketing and Advertising under this Agreement

Vendor will actively promote the use of this contract by LEAs in California. Vendor must comply with the marketing plan offered as part of its bid submission. Unless other arrangements are made with the CalSAVE administrator, vendor is also required to perform the following:

- a. Vendor will include the approved CalSAVE logo, web address, and toll free number in all print electronic mail and other advertising and promotion intended for release to California K-12 schools, excluding national marketing releases.
- b. The CalSAVE logo and associated CalSAVE information shall be of a clearly readable size and in appropriate proportion to other elements in the printed material.
- c. Vendor agrees to provide CalSAVE with a copy or proof sheet of the advertisement or promotion material. Vendor will provide CalSAVE with date of release and name of publication, journal, etc.
- d. Vendor shall place a supplied CalSAVE vendor sign on booths, tables, etc. of any or all exhibits for which the vendor displays/participates at California tradeshows, conventions and the like. Vendor will supply in advance scheduled exhibit dates. Vendor agrees to make available at the exhibit CalSAVE supplied brochures or other promotion materials.
- e. Vendor agrees to insert the approved CalSAVE logo, web address, and toll free number on the vendor's web site promoting or a specific CalSAVE landing page and providing a link to the CalSAVE website.

#### **A. Additional Member Agency Terms and Conditions for Non-Construction Products and Services**

##### 1) Conformance to Public Contract Code 20111

An award by the Monterey County Superintendent of Schools under this solicitation will be for the purchase of equipment, materials, supplies, services or repairs to be furnished, sold, or leased in accordance with Public Contract Code 20111 and 20650. Awards shall include allowance for installation and assembly services incidental and necessary to the use of the equipment, materials, supplies and repairs purchased or leased.

##### 2) Conformance to Public Contract Code 20118 and 20652

All public agencies (LEAs) are authorized by law to purchase off a contract awarded by an agency that has itself gone to bid, including all K-12 schools districts, community college districts, special districts and JPAs serving education, pursuant to Public Contract Code Sections 20118 and 20652. Using these statutes, the Monterey County Office of Education hereby declares its intent and authorization to make all contracts awarded under this contract "piggybackable" by other agencies in the state. The Agency waives any right to receive payment from other California agencies making purchases off the awarded contracts and those agencies will make payment directly to the vendors. Any legislative changes to Public Contract Codes 20118 and 20652 during the term of the contract(s) with Award Vendor(s) shall apply to the contract(s) immediately when such changes become law.

### 3) Additional Piggyback and Standard School Supply and Equipment Authority

The Monterey County Office of Education declares that items, materials, personal property, equipment and licenses under Contract as a result of this Invitation to Bid will qualify as items to be included within its Standard School Supply and Equipment List. Because many County Offices of Education have banded together to create both the EdBuy and the CalSAVE programs for the purpose of collectively creating both a standard School Supply & Equipment List and cooperative contracts, the items solicited and awarded through this bid may also constitute a portion of an official Standard School Supply and Equipment List for other participating County Offices of Education and County Superintendents of Schools. Purchases by other County Offices of Education and LEAs may be made, not only in accordance with Public Contract Code 20118 and 20652, but also in accordance with Education Code 38110 and 38112 dealing with cooperatives and Standard School Supplies & Equipment.

### **B. Additional Member Agency Terms and Conditions for Construction Products and Services**

#### 1) Intended for Personal Property

An award by the Monterey County Superintendent of Schools under this solicitation will be for the purchase of equipment, materials, supplies, services or repairs to be furnished, sold, or leased in accordance with Public Contract Code 20111 and 20650. Awards shall include allowance for installation and assembly services incidental and necessary for use of the equipment, materials, supplies and repairs purchased or leased. When any services or repairs fall into a category of Public Works as defined in Public Contract Code 22002, an LEA may use this California contract only up to \$14,999 for labor and services, but for an unlimited dollar amount for any supplies, materials, equipment or personal property to be staged and ready for use in a local Public Works project.

#### 2) Public Works Limitations

When Public Works services cost \$15,000 or more, an LEA, under most situations, must bid itself independently for the services and labor related to the public work, but may use this contract for the contracted supplies, material or equipment related to the project. If circumstances allow, LEAs may also combine this competitively bid contract with other alternative authorities for Public Works projects as may be allowed by law, such as Public Contract Code 22030, Education Code 17406 or Government Code 1466. LEAs should consult with their own legal counsel to see if such statutes apply to their Public Works projects.

### **C. Procedure for Processing Orders**

#### 1) Start date

Once the award is made to the Contractor/Vendor and signatures have been placed on the contract from both parties, the Awarded Contractor/Vendor is authorized to begin selling to eligible Agencies. MCOE will begin informing LEAs of the Contract once the Contract has been signed.

#### 2) Prices and Requests for Quotes

The Awarded Contractor/Vendor, in cooperation with MCOE's agent, must make provision for LEAs to quickly ascertain bid prices by posting prices, posting a link or contact for prices, distributing catalogs and price lists, responding to requests for quotations, or participating in eCommerce.

The 2 percent Transaction Fee on all sales is a cost of doing business to the vendor and the requirement for the fee is publicly disclosed in these bid documents for the edification of all buying agencies and LEAs. Transaction fees should not appear as a line item on a quotation or on listed bid pricing. The final price quoted or displayed must be inclusive of the participation fee on all pricing and quotations.

#### 3) Submission of Orders and Delivery

After entering into an agreement with MCOE, an LEA electing to use this Contract will enter into a separate contract with the Vendor by way of a purchase order or separate contracting document ("Separate Contract"). Purchase orders will be issued by participating LEAs to contractor/vendor.

LEAs will fax or mail purchase orders directly to the CalSAVE office fax at (866) 488-3729), unless other arrangements have been made and agreed to by the CalSAVE Administrator. LEAs may also use Epsilon eCommerce software for transmission of purchase orders. Standard business practice is for all purchase orders received by 3:00 p.m. Pacific Time to be logged and forwarded to the appropriate vendor on the same day received, unless unusual circumstances occur. It is the responsibility of the awarded/Vendor contractor to track any purchase order received directly from an LEA and to include that order on quarterly reports.

Awarded Contractor/Vendor will deliver goods, services and corresponding invoices directly to the participating LEAs and receive payments directly from the participating LEAs as per bid specifications.

**D. Agencies Allowed to Purchase under the Member Agency**

**1) Other Agencies' Right to Purchase.**

CalSAVE is a self-supporting contracting program led by the Monterey County Office of Education. Contracts are made available to all California public school districts, private and non-public schools registered with a county office of education or state Department of Education, charter schools, community college districts, eligible state agencies, non-profits (particularly those such as PTAs buying on behalf of schools or government), and any other agency allowed by law – all referred to as LEAs.

Subject to the following terms and conditions, the Monterey County Office of Education (MCOE) consents to LEAs purchasing items at the same unit price(s) or pricing formula under the terms and conditions of this Contract, as may be authorized by Sections 20118 and 20652 of the Public Contract Code or other legal authority:

a) Any other agency (LEA) authorized by law to use this Contract for its own purchase(s) from the Awarded Contractor/Vendor or their authorized resellers shall by default enter into a standard agreement with MCOE, which *inter alia* will include the terms, conditions, and information set forth in this paragraph *a* and paragraphs *b* through *i* below.

After entering into a standard agreement with MCOE, an Other Agency electing to use this Contract will enter into a separate contract or purchase order ("Separate Contract") with the contractor/vendor. The Separate Contract is subject to and includes and/or incorporates all applicable terms of this Contract and the specific requirement that the Awarded Contractor/Vendor comply with the provisions set forth in the paragraph regarding payment of the 2 percent Transaction Fee (or the non-conforming jurisdiction fee) to be collected by the Epylon Corporation. MCOE will not be a party to any Separate Contract, but will be considered a third party beneficiary of such Separate Contract.

- a) The Awarded Contractor/Vendor understands and agrees that failure or refusal to comply with the provisions set forth in this agreement regarding payment of the 2 percent Transaction Fee in conjunction with any Separate Contract or any other use of this Contract by an "Other Agency" is grounds for cancellation of the Contract. The Contractor/Vendor also understands and agrees that if the Contract is cancelled for this or any other reason, MCOE may give notice of such cancellation by any other means appropriate to inform LEAs of that cancellation.
- b) The MCOE waives any right it may have to require any LEA using this Contract to draw its warrants for the purchase(s) in its favor and consents to each agency making such payment(s) directly to the contractor/vendor.
- c) Sales tax and freight/shipping charges included in the Contract apply to the MCOE only. Additional sales tax and freight/shipping charges may be required on purchases by any LEA and are outside the scope of this Contract, unless specifically addressed elsewhere in Part A or Part B of the Terms and Conditions.
- d) This Contract and any Separate Contract are for the purchase of the items covered by Contract. An LEA may, however, exercise its authority under Education Code section 17597 or 81645 or other legal authority to sell and lease back any item owned by, or to be owned by, it pursuant to any Separate Contract. The contractor/vendor agrees to take any and all actions requested by any LEA that are necessary to effect any such transfer, by way of example only, accepting payment under the Separate Contract from any third party to whom any such transfer is made.
- e) Both the contractor/vendor and any LEA using this Contract agree that the MCOE makes no representation that use of this Contract by any Other Agency is, in fact, authorized by law.
