These products carry a QS next to their model numbers in the price list. All other products ship in established lead times based upon season and availability. During September 15th through June 15th lead times normally average 10-20 working days or less. During June 16th through September 14th lead times normally average 15-30 working days or less. Special orders of all kinds are welcome, but could require longer lead times.

Cancellations: Cancellations or changes are subject to Allied approval. No cancellations or changes to orders will be accepted once production of an order has begun or "special materials" have been ordered from our vendors. Higher cancellation charges are likely on "special orders".

Returns: All tops are made to order and not returnable. No product/merchandise will be accepted for return without a RAN (Return Authorization Number) issued by Allied. After receipt of the RAN, returned merchandise must be shipped freight prepaid and is subject to a 30% restocking/handling charge, unless the return is deemed by Allied to be the factory's responsibility following an internal evaluation. Merchandise approved for return must arrive at Allied's warehouse in resalable condition. Merchandise returned in less than first quality condition will be subject to higher restocking/handling charges. Allied reserves the right to assess higher restock/handling charges based upon our inspection of the returned merchandise.

Minimum Order Charge: Orders of less than 6 units (5 or less) will be charged a Minimum Order Charge of \$40.
