## How the Dealer Pricing structure works

Dealer pricing is based on sales volume from the previous fiscal year. Please contact your Manufacturer Rep or Customer Service if you need clarification.

<b>Dealer level:</b>	<b>up to \$7500</b>
<b>Preferred level:</b>	<b>\$7500-\$15,000</b>
<b>Preferred Plus level:</b>	<b>Over \$15,000</b>

## Placing your order

Approved credit accounts with Net 30 terms may email or fax a purchase order. Prepaid orders can be placed with a credit card over the phone or can be mailed in with a check. Confirmations will be sent via email only upon request.

## Shipping

All small parcels ship via UPS or FedEx. Items marked with the truck icon will ship via common carrier. A contact name and phone number are required for carrier convenience. Truck access options (inside delivery, 24-hour notification, lift gates, etc) carry additional charges. All deliveries are FOB Waterford, CT or warehouse. Refused shipments will incur charges for both directions of travel and are subject to a 25% restocking fee. Express delivery may be available for small parcels, call Customer Service for details.

## Quotes

Quote requests may be faxed or emailed at any time. Jaypro will return a written quote including a quote number and expiration date. When ordering, a copy of the quote or the quote number must be referenced for the pricing to be honored. All verbal quotes (pricing and freight) are estimates only. Jaypro is not responsible for honoring verbal estimates as pricing and freight costs are subject to change without notice.

## Shipping Quotes

For quick freight quotes on items that ship truck from Jaypro's Waterford, CT warehouse, please use our on-line freight calculator. <http://www.Jaypro.com/truck>

## Prices

Prices are subject to change without notice. Prices are in US dollars. Jaypro is not responsible for international exchange rates.

## Discrepancies & Returns

All discrepancies must be reported within 30 days of the ship date. Jaypro is not responsible for any claims after 30 days. We reserve the right to replace, repair or refund as appropriate.

## Returns

Jaypro will accept the authorized return of all standard products for any reason within 30 days of the ship date. SPECIAL ORDER/CUSTOM COLOR ITEMS ARE NOT RETURNABLE. Customers must obtain a return authorization number from Jaypro after supplying the invoice number, item number and reason for return. Please contact Jaypro prior to making any returns as unauthorized returns may not be accepted. Customer is responsible for a 25% restocking fee and return freight charges. Original freight charges will not be reimbursed. All returned merchandise must be in its original packaging and must include the return authorization number on the label.

## Freight Damage & Discrepancies

Damages or shortages must be reported within 30 days of ship date. It is the responsibility of the customer to sign the delivery receipt as damaged or short. Jaypro is allowed by the carrier 30 days from the delivery date to file a claim on shipments with noted damage or shortages and 10 days on concealed damage. If Jaypro is notified within this time frame, we will replace as needed and file the claim with the carrier. If we are notified after this time frame, it is the responsibility of the customer to secure settlement with the carrier and to purchase replacements. Freight discrepancies on shipments billed third party to a customer's carrier of choice are the responsibility of that customer.

## Payment Terms

Approved credit accounts are required to submit a purchase order and will be billed Net 30 from the invoice date. In our efforts to go paperless, invoices will only be emailed, therefore an email address must be provided on the purchase order. Prepay accounts may pay by check, American Express, Discover, MasterCard or Visa. We encourage customers to make ACH payments whenever possible.

Please contact our accounting department for required set-up information. All past due accounts are subject to a 1.5% per month (18% per year) interest charge and collection costs. Any approved credit account choosing to pay by credit card after the invoice date may be subject to a 3% credit card processing fee. Returned checks will result in processing fees added to customer account and may result in suspension of credit privileges. The check writer is also responsible for all other check recovery costs (\$35 fee), including attorneys' fees, court costs and taxes.
