SNOEZELN WARRANTY

School Specialty shall warranty all Snoezelen products for a warranty period of at least ten (10) years, or the period stated in the individual manufacturer's warranty, whichever is greater. Fabric and pneumatic cylinders shall be warranted for a minimum of one (1) year.

Should defects become evident within the warranty period, School Specialty shall either repair the defective parts and materials or replace the item at no additional cost. The warranty period shall start with the date the product of acceptance and shall be extended to include times during which the products are out of service for warranty repair.

We agree to repair or replace to the satisfaction of the end users all product purchased which may prove defective in product or workmanship/labor within the warranty period. This warranty does not include customer misuse, abuse, or neglect.
