## EARLY CHILDHOOD TABLET

## Give Young Learners a Head Start

Educators understand the benefit of introducing technology and educational resources at a young age but worry about protecting vulnerable children from online dangers. Kajeet understands that dilemma and has a long history of providing safe, secure remote learning solutions appropriate for students of all ages. Kajeet's Early Childhood Tablet offers educators a solution that protects young learners while allowing them to achieve educational success.

### THE KAJEET EARLY CHILDHOOD TABLET KIT COMES WITH:

- Samsung Galaxy Tab A7 Lite 8.7"
- Child-friendly protective case
- Kajeet Sentinel — our device and data management platform with CIPA-compliant filtering
