

TechU Marketplace Your Community Sale Made Easy.

Strengthening Communities Through Technology

Our mission at TechU is helping schools strengthen their communities by increasing digital access.

TechU is a win for the school, the community, and the environment.

"Using TechU, we were able to easily sell our devices back to our community and recoup some of the cost too! This also allowed us to remove ourselves from Support and Warranty circumstances. It was easy, hands-off, and most importantly, no cost to our district."

-Tony Nuismer

Director of Information Technology
Mattawan Consolidated School

Broader benefits of a community sale

- ✔ It strengthens the bond of between the schools and their communities.
- ✔ Local tax dollars funded the devices, local community should get the first shot to purchase.
- ✔ Creates a better financial position to deploy new technology.

Turn Key Solution

- ✔ Custom designed online marketplace.
- ✔ Devices tested, data wiped, refurbished and kitted.
- ✔ All heavy lifting done by the TechU team.

Hassle Free

- ✔ All customer service handled by TechU.
- ✔ Many forms of payment accepted.
- ✔ Vetted device, charger, purchasing support, and a 30 day warranty included.

TechU A better option

Easier than a school "garage sale".

Higher financial return than an online auction.

True public surplus that stays in the community.
