

AP[®]* CHEMISTRY KITS NOW ALIGNED TO 2024-25 CED

1. Learning Objectives and Skills are clearly mapped with instructions.
-Relax! We've done the standards alignment for you!
2. Instructions fit your teaching style--online, print or Google Classroom. No more guesswork!
- Each investigation aligns with current AP standards, ensuring students engage with content and skills that truly matter.
3. Available as individual lab kits and scope and sequence bundle.
- Designed to meet your specific instructional needs and your budget.
4. Fully-aligned lab kits save time and engage your students.
-We give you time to focus on effective instruction, helping students develop key skills and prepare for exam success.
