Windy®
(the lungs) Peri Stolic®
(the intestine)

Calci M. Bone® Pepto (the stomach)

Madame Muscle®

The Kidney Brothers®

Hardy Heart®

Sir Rebrum®
(the brain)

Improve the health and academic status of your students this upcoming year using an evidence-based, teacher-friendly digital platform that costs less than the price of a school lunch (only \$2.50/per student) for the entire year!

Consider including this whole child, healthy living program at special pricing through our partnership with CalSave. This program contains content for all educators (including Specials, ESOL, STEM, etc.) and can be accessed at home via your school's learning portal. Complimentary virtual training can be scheduled during Pre-Planning on a first come, first served basis.

Click on our logo below to join a short scheduled webinar!
