

EduStream™

Fast. Simple. Built for Education.

Powered by **hoop** wireless

EduStream™, from Connect Distributors and powered by Hoop Wireless, delivers high-speed internet to schools with hotspots, tablets, laptops, and BusBeam™ hardware for unlimited bus connectivity. Hoop's nationwide experience includes ECF, ACP, and a custom enrollment solution for NYC students, while Connect, an authorized distributor of major brands for 15 years, ensures premium devices. As your trusted, one-stop solution, EduStream provides secure, cost-effective connectivity with dedicated school reps.

AEPA

Vendor Advantage

As an AEPA vendor, EduStream offers exclusive benefits: pre-negotiated pricing on devices and plans, compliant procurement, and streamlined ordering—saving schools time and money.

EduStream™ Delivers
