I. About AEPA

The Association of Educational Purchasing Agencies (AEPA) is a school procurement consortium established in 2000 through a Memorandum of Understanding, and incorporated in 2007 under the state laws of Nevada. Currently, twenty-six (26) states have joined to issue simultaneous Invitations for Bids (IFB) generating sales in forty-nine (49) states.

AEPA requires that Bidders only respond if they are able to offer prices equal to or lower than what they ordinarily offer on separate, single school district, single state or multi-state contracts that have equal or lesser volume. AEPA's mission is to cooperatively serve our members through a continuous effort to explore and solve present and future purchasing needs. Our goals include working to secure multi-state volume purchasing contracts with benefits that are measurable, cost-effective and continuously exceed our members' expectations. AEPA is committed to accomplish this mission lawfully and ethically, using leading edge technology and futuristic business practices.

AEPA designates one Member Agency per state that is operating legally under the rules and regulations of that state. Any additional agencies that wish to participate will negotiate with the authorized Member Agency and participate through them in a manner in which they mutually agree is not in conflict with AEPA procedures. The Member Agency will be the only agency allowed to represent that state at AEPA and will be the only communication link between AEPA and that state.

Each Member Agency, along with the awarded Vendor Partner, represents, supports and promotes the AEPA contracts within their respective state. While the consortium was initially created to support educational entities, the Member Agency for each state determines which public entities (higher educational institutions, cities, counties, townships, states, etc.) can utilize the competitively bid contracts (see the Summary of State Participation by Bid Category Table).

II. Bid Procedures

A. Issuing Agency

The great benefit to the Bidder is that one response may be prepared for approval by AEPA and award by multiple AEPA Member Agencies and utilized by their Participating Entities located throughout many states. Some of these 26 AEPA Member Agencies have Participating Entities in other non-AEPA states as identified in the Part B - Specifications document. Bidders responding to this IFB will submit their response in the required formats (PDF, Word, Excel) of all files requested along with complete catalogs via Public Purchase by the due date and time of this IFB. Bidders selected in response to this single IFB have the potential to provide products and services to local education agencies serving over 34,000,000 (excludes non-represented AEPA states) students.

Each AEPA Member Agency will individually publish notice of the IFB. Bidders will submit their response online, electronically via Public Purchase (www.publicpurchase.com). Responses will be evaluated by bid oversight committees comprised of AEPA Member Agencies representatives who have indicated they will participate in the category of products and services being solicited, and after AEPA approval, individual AEPA Member Agencies may award contracts to the AEPA Approved Vendor Partners or reject their offers.'

The procurement activities of AEPA are limited to document preparation, distribution of the IFB, initial evaluation, and recommendation for possible approval to AEPA Member Agencies. AEPA consists of agency officials who have agreed to assist one another in meeting the public purchasing needs of local school districts and other political subdivisions.

Contracts awarded through cooperative purchasing must meet the procurement laws of the states of each AEPA Member Agency. When these laws are satisfied, an individual entity using these contracts is

deemed in compliance with bidding regulations. As allowed by specific state statutes, they can issue purchase orders for any amount without the necessity to prepare their own IFB, Request for Proposal (RFP), or Request for Quotations (RFQ). This saves the entity time and allows for economical and efficient purchasing.

State laws that permit or encourage cooperative purchasing contracts do so in the belief that it saves the participants both time and money. Time is saved by having access to volume discounted contracts publicly solicited and being able to purchase what is needed without having to wade through the solicitation process (write solicitation, advertise the IFB, open each response, evaluate and make a selection). Money is saved in procurement cost and lower prices will be the result of volume purchasing. *Therefore, a contract issued by a cooperative can be used by hundreds of separate political units; but if it has the same or higher prices than what a single agency or state contract can get through its own bid, a cooperatively bid contract makes no sense.*

The AEPA policy for membership permits new agencies to become AEPA Member Agencies upon approval of existing members. If additional Agencies are added, they and their members may procure from existing contracts upon approval of the awarded Vendor Partners and in accordance with their state laws.

B. Voluntary Pre-Bid Conference Call

Pre-Registration Required by 3:00 p.m. EDT, September 1, 2016 (No Exceptions).

AEPA will host a voluntary pre-bid conference call on Wednesday, September 7, 2016, for any interested Bidders or potential Bidders. 4. **Bid Transmittal – *Uploaded to Public Purchase by October 5, 2016, at 1:30 p.m. EDT.***

It is the responsibility of the Bidder to be certain that the bid submittal has been uploaded in its entirety to Public Purchase, on or prior to the exact due date and time of October 5, 2016, at 1:30 PM EDT. **If applicable, a hard copy of the bid security must be in the actual possession of AEPA at Oakland Schools, 2111 Pontiac Lake Road, Waterford, MI 58328, on or prior to the exact due date and time mentioned above.** Failure to send the official bid security to AEPA will result in the Bidder being deemed non-responsive and will not be considered. Bids and bid securities not meeting the due date and time will not be accepted. Bid securities must be submitted in a sealed envelope properly addressed to Association of Educational Purchasing Agencies, with the Bid Number, Bid Category being offered, Bid Due Date and Time, and Bidder's Name and Address clearly indicated on the envelope or box. Bid securities received late will not be opened and will be deemed non-responsive. Anyone who downloads the bid documents and fails to submit a bid shall be deemed as a No-Bid Response.

If the designated location for receiving bids is closed due to an unforeseen circumstance on the day bid responses are due, responses will be due at the same time on the next day the building is open.

Responsive bids will be opened and the name of each Bidder and other appropriate information will be posted to Public Purchase.

G. Bid Evaluation

Bid responses will be reviewed, analyzed and evaluated based on the evaluation criteria stipulated within this bid document (Refer to the Evaluation, Approval and Award section located in Section V. General Terms and Conditions for All Agencies).

H. Contract Award and Implementation

An AEPA oversight committee will perform initial bid response review and evaluation and will prepare and make a recommendation to AEPA for its consideration and approval. Those selected Bidders who are approved by AEPA will then be considered by the individual AEPA Member Agencies for contract award. It should be noted that once AEPA has approved the bid response, a Bidder becomes a "Vendor Partner" for AEPA.

Recommendations for approval by AEPA will be posted to Public Purchase and the AEPA website on November 9, 2016. If the AEPA category committee recommends the contract at the Winter Meeting November 28, 2016 through November 30, 2016, the Vendor Partner will be invited to present for 15 minutes to the group to educate all 26 states on your company, products, etc. It is the Bidder's responsibility to access this information. It should be noted that while a company may be recommended for approval, there is no guarantee of an approved contract until the AEPA Member Agencies vote on the recommendation.

Once the approved Bidders have been notified, it is their responsibility to contact those AEPA Member Agencies (up to 26) who had indicated an interest in participating and send Forms A and B along with a Flash Drive containing all electronic documents that they had uploaded to Public Purchase to each of the participating AEPA Member Agencies. Each AEPA Member Agency will review, evaluate and determine which, if any, it will award contracts to.

The approved Vendor Partner and the AEPA Member Agency will hold final contract negotiations, if necessary, to work out state specific details of contract implementation including:

1. Acquiring additional information and having discussions on how the awarded contract will be executed.
2. Signing the contract with the AEPA Member Agency.
3. Jointly develop marketing strategies and a plan for contract roll-out activities to the AEPA Member Agency's Participating Entities (Advertising, flyers, website access, etc.).
4. Establish how orders will be processed, handled and reported.
5. Contract management: Establish how and by whom the day-to-day contract management will be handled and who will be the AEPA Member Agency' representative.

It is not guaranteed that each AEPA Member Agency will enter into a contract with AEPA approved Vendor Partners. The final decision as to the appropriateness of a contract for a Member Agency rests solely with that AEPA Member Agency.

II. Responsibilities Of A Vendor Partner

- A. As an approved AEPA Vendor Partner, the following is expected in support of the contract:
 1. Designate and assign a dedicated senior-level contract manager (one authorized to make decisions) to each of the Member Agency accounts. This employee will have a complete copy and must have working knowledge of the contract.
 2. Train and educate sales staff on what the AEPA cooperative contract is including pricing, who can order from the contract (by state), terms/conditions of the contract and the respective ordering procedures for each state. It is expected that Vendor Partners will lead with AEPA contracts.
 3. Develop a marketing plan to support the AEPA contract in collaboration with respective AEPA Member Agencies. Plan should include, but not be limited to, a website presence, electronic mailings, sales flyers, brochures, mailings, catalogs, etc.
 4. Create an AEPA-specific sell sheet with a space to add a Member Agency logo and contact information for use by the Member Agencies and the Vendor Partner's local sales representatives to market within each state.

 6. Have ongoing communication with the Bid Oversight Chairperson, AEPA Member Agencies and the Member Agencies Participating Entities.
 7. Annually attend two (2) AEPA meetings: Annual meeting which is typically in April and the Winter Meeting which is typically the end of November or early December and has historically been held in conjunction with the Association of Educational Service Agencies (AESAs) annual conference. At the Annual meeting, Vendor Partners participate in a round table meeting with each of the AEPA Member Agencies. Vendor Partners that have paid the registration fees can participate in the meetings.
 8. Trade show support: Strongly encourage participation in national and local conference trade shows to promote the AEPA contracts including, but not limited to the Association of School Business Officials (ASBO), the National Institute of Governmental Purchasing (NIGP), and the National Association of Educational Procurement (NAEP).

9. Increasing sales over the term of the contract with all participating AEPA Member Agencies.

III. Responsibilities of AEPA Member Agencies

- A. In support of the Vendor Partner and respective contract, each AEPA Member Agency should provide the following support:
 1. Designate a staff member(s) that will serve as a point person for the AEPA program within that state.
 2. Provide a staff member to work collaboratively with the Vendor Partner to determine the best marketing plan for the respective Member Agency state. Marketing efforts may include but not be limited to the education and use of sales force, a website presence, electronic mailings, brochures, mailings, etc.
 3. Develop marketing materials for the Member Agency to use that would include representation of the awarded contracts. Materials may include, but not be limited to, a website presence, electronic mailings, sales flyers, brochures, mailings, catalogs, etc. as determined by the respective Member Agency and what works best within their state.
 4. Assist the Vendor Partner to jointly market the contract to potential Participating Entities within the state.
 5. Work with the Vendor Partner to identify eligible Participating Entities within the state possibly including providing a list of potential customers.
 6. Attendance at the two (2) AEPA meetings which provides for opportunity to interact with Vendor Partners.

AEPA Bi-Annual Meetings: AEPA holds two general meetings each year: one in the Spring (usually in the month of April or May) and the other in the Fall (currently the week after Thanksgiving). AEPA

A response to this solicitation is an offer to contract with the AEPA Member Agencies based upon the terms, conditions, and scope of work and specifications contained in this invitation. A solicitation does not become a contract unless and until it is accepted, recommended and approved by AEPA and awarded by the individual AEPA Member Agency. A contract is formed when an AEPA Member Agency administrator and, if required, an AEPA Member Agency Board approves and signs the Acceptance of Bid and Contract Award Form (see Form B) document, eliminating the need for a formal signing of a separate contract.

Assignment: No right or interest in this contract shall be assigned or transferred by the Vendor Partner without prior written permission by AEPA and its AEPA Member Agencies, and no delegation of any duty of the Vendor Partner shall be made without prior written permission by the AEPA Member Agency. surety to be approved in federal circular 570 as published by the United States treasury department or the equivalent in cash or an irrevocable letter of credit from a FDIC or nationally recognized financial institution. The bid security shall remain in force for a period of One Hundred Twenty (120) days of bid opening. Bid Security must accompany the Vendor Partner's bid response when submitted and be uploaded with other bid documents to Public Purchase. If applicable, a hard copy of the bid security must be in the actual possession of AEPA at Lakes Country Service Cooperative, 1001 E. It is sole responsibility of the Bidder to perform and complete any necessary research and investigation required to make themselves aware of and comply with this item.

Clarification: As used in this solicitation, clarification means communication with a Bidder for the sole purpose of eliminating minor irregularities, informalities or apparent clerical mistakes in the bid. It is achieved by explanation or substantiation, either in response to an inquiry by the AEPA Member Agency or as initiated by the Bidder. Clarification does not give the Bidder an opportunity to revise or modify its bid.

Commercially Available Catalog: A published paper catalog or an online website that is widely distributed or accessible. It is made available to the general public or schools and contains a verifiable price, along with product descriptions, SKU numbers, and photographs. A commercially available catalog is distinct from a custom catalog or website, whose prices and offerings are tailored to niche audiences.

Responses below the competitive range will be determined to be unacceptable and will not receive further consideration.

Contract Documents: AEPA Member Agency will review proposed contract documents. Vendor Partner's contract document shall not become part of AEPA Member Agency's contract with Vendor Partner unless and until an authorized representative of an AEPA Member Agency reviews and accepts it.

AEPA has defined construction as building, altering, repairing, installing or demolishing in the ordinary course of business any road, highway, bridge, parking area or related project; building, stadium or other structure; airport, subway or similar facility; park, trail, athletic field, golf course or similar facility; dam, reservoir, canal, ditch or similar facility; sewage or water treatment facility, power generating plant, pump station, natural gas compressing station or similar facility; sewage, water, gas or other pipeline; transmission line; radio, television or other tower; water, oil or other storage tank; shaft, tunnel or other mining appurtenance; electrical wiring, plumbing or plumbing fixture, gas piping, gas appliances or water conditioners; air conditioning conduit, heating or other similar mechanical work; or similar work, structures or installations. Cooperative Procurement: Some individual state procurement codes may contain cooperative purchasing statutes that state any state agency or local public body may either participate in, sponsor or administer a cooperative procurement agreement for the procurement of any services, construction or items of tangible personal property with any other state agency, local public body or external procurement unit in accordance with an agreement entered into and approved by the governing authority of each of the state agencies, local public bodies or external procurement units involved. The cooperative procurement agreement shall clearly specify the purpose of the agreement and the method by which the purpose will be accomplished. Any power exercised under a cooperative procurement agreement entered into pursuant to each state's procurement code shall be limited to the central purchasing authority common to the contracting parties, even though one or more of the contracting parties may be located in different states.

Cooperative Purchasing Contracts: The Bidder agrees that all the prices, terms, warranties and benefits granted by the Bidder to AEPA Member Agencies or Participating Entities through this contract will be equal to or better than with equivalent terms and conditions to those offered to any present or future customer or cooperative that have equal or lesser volume. Based on AEPA and its AEPA Member Agencies' investigation, review and findings, AEPA reserves the right to take following actions:
 - a. To request the Vendor Partner to immediately adjust its AEPA's offered prices to match the lower prices offered.
 - b. To work with the Vendor Partner to mediate and resolve the situation; or

[The AEPA Member Agencies believes it is better for the Vendor Partner if the AEPA Member Agency places the slow-paying Agency Member on "credit hold;" if a Vendor Partner places the Participating Entity on credit hold, agencies that pay promptly are penalized. If, on the other hand, the Member Agency places the offending Participating Entity on "credit hold", payment is more likely to result and only the offender is disciplined.

Delivery Terms, Conditions and Requirements:

1. **Delivery:** is to be made within the specified time identified in Part B Specifications for each bid category, unless otherwise stipulated in writing and accepted by all parties (Buyer placing order and Vendor Partner). The Vendor Partner agrees to notify Buyer if an order cannot be processed within the specified period and/or the agreed upon timelines.
2. **The title and risk of loss of material or service:** shall not pass to the Buyer purchasing the material or services until it actually receives the material or service at the point of delivery and they have been accepted, unless otherwise provided within this document or individual project's contract.

The Buyer will be the determining judge of whether materials and services delivered under the purchase order/contract satisfy the specifications and requirements as identified in the contract/order.

13. The Vendor Partner must identify, specify and justify any exceptions or deviations taken.
- Deviations or Exceptions to Requirements:** Deviations or exceptions stipulated in a Bidder's proposal may result in rendering of the response non-responsive. AEPA and its AEPA Member Agencies reserve the right to determine whether the deviation or exception does or does not serve the interest of or is not advantageous or acceptable to AEPA, its AEPA Member Agencies or Participating Entities.
- Disbarment and Suspension:** By signature accepting Terms and Conditions, it is certified on behalf of the company and their key employees that neither the company nor its key employees have been proposed for debarment, debarred, or suspended by any State or Federal Agency within the last five years.

Usage depends on the actual needs of the AEPA Member Agencies, their Participating Entities and the marketing by the Vendor Partner.

Experience, Proven Track Record and Past Performance Information: has been determined by AEPA and its AEPA Member Agencies to be a major factor in considering if a Bidder possesses the ability, capacity and resources to acquire, manufacture, deliver, construct, install, services and support all of the procurement functions and activities involved in a national contract of this nature. The Vendor Partner agrees that the cost for any item bid or offered on this contract will be uniform for all states, and that any differences in pricing are due to state specific installation and labor costs, AEPA Member Agency's Administrative Fee, etc. The Bidder must provide their pricing as requested utilizing the various pricing methodologies specified. Please note the following that relate to pricing:

1. **Most Advantageous Pricing:** The Bidder/Vendor Partner must agree that they will not offer or provide a better price to any individual entities or cooperatives with equal or lesser volume than that through AEPA.
2. **Primary Pricing/Secondary Pricing Strategies:** All Bidders will be required to submit "Primary Pricing" in the form of either "Catalog Pricing" or "Line-Item Pricing" or a combination of these two pricing strategies as defined in the bid specifications. Bidders are also encouraged to offer OPTIONAL pricing strategies including "Hot List" and "Volume Discounts".
 - a. **Primary Pricing:** All Bidders are required to submit the required primary pricing as indicated in each bid category's Part B: Specifications and Part C: Bid Forms (requirements vary based on bid category).
 - i. **Catalog Pricing:** Catalog pricing is utilized when the products and/or services solicited are clearly identified with set and specific characteristics, attributes and configurations that are identifiable as a stand-alone single unit and can be listed and priced as a single unit with options that can be added to enhance and/or improve its operation and functionality. The Bidder offers a fixed discount(s) off retail price, catalog price, published price or list price. The discounts may be for the entire commercially available catalog, for specific products, product lines, manufacturers or category of products as determined by the Bidder.
 1. **Discounts:** Discount offers must clearly identify percent of discount to apply to a commercially available catalog, manufacturer, MSRP, retail or nationally published price lists. Bidders shall identify and stipulate if the discounts apply to the entire catalog/price list, specific product lines, manufacturers and/or categories of products. Bidder shall agree that there will be no reduction in discount(s) during the term of the contract.
 2. **New Catalogs/Price Changes:** New catalogs and corresponding nationally published price lists may be submitted throughout the term of the contract and shall be submitted to the AEPA Contract Oversight Committee for review prior to release to all AEPA Member Agencies. Prices may change based on manufacturer's price changes, new published pricing or price lists, but the original discount bid shall remain firm for the duration of the contract.
 3. **Core List:** In a Catalog Priced bid, a category (i.e. office supplies) may include a "core list" which contains a selection of the most commonly used products/services with the expectation that a deeper discount would be bid for these items. If a new catalog and price list is published during the contract term, the original discounts shall be applied to the new published prices to establish the AEPA price for these core items.
 4. **Product Addition/Discontinuation:** New products, within the same scope of work, may be added at the established percentage discounts at any time. Discontinued products may be dropped at any time during the year. In the event a Core item is discontinued by the manufacturer during the term of the contract, Vendor Partner is required to add a functionally equivalent substitute at the same discount structure.

- ii. **Line-Item Pricing:** Line-item pricing is utilized when products and/or services that are broken down in detail by element, component, product categories, product type and each product and/or service is presented as an individual item which needs to be combined with other items to make up a final project or solution. The Bidder offers firm pricing for specific line items in response to this bid; a project's cost is derived by the Vendor Partner preparing and providing a quote based on the project's terms, conditions and requirements based on the line item pricing provided in the bid. The information provided in this bid for each item includes:
 - 1. Product Category
 - 2. Product Description
 - 3. Manufacturer
 - 4. Manufacturer SKU
 - 5. Vendor SKU
 - 6. Unit of Measure
 - 7. Item List Price
 - 8. AEPA Bid Price
- iii. **Fixed prices:** Prices bid shall be firm until each anniversary date of contract, unless there is an occurrence of one or more economic price adjustment contingencies outlined in the bid. Fixed price offers shall include prices for any and all items.
- iv. **Routine Price Adjustments (Without Economic Price Adjustment):** Vendors may only request adjustments to the prices once a year at the time of renewal at the AEPA Winter meeting that goes into effect March 1st. Vendor Partner's must submit a fully documented written request to the AEPA Contract Oversight Committee thirty (30) days prior to the AEPA Winter meeting. The request must specifically detail and document the cause and/or reason for price changes and include any supporting documentation (manufacturer's letter, indexes, etc.). All price changes require approval by the AEPA Member Agencies at the AEPA Winter meeting to go into effect the following contract term.
- v. **Unpredictable Economic Price Adjustment:** If economic price adjustment contingencies occur, Vendor Partner may submit a fully documented request (manufacturer's letter, indexes, etc.) for price adjustment to AEPA Contract Oversight Committee for review and approval by the committee and the AEPA Member Agencies. The documentation must substantiate the cause and/or reason for the requested price increase and demonstrate that it was unpredictable at the time of bid submittal and/or contract renewal and out of the Vendor Partner's control. Pricing will take effect thirty (30) days after approval and acceptance.
- vi. **New Products/Services:** Vendor Partner may submit new products or technologies that are within the original scope of work for the bid, to be added to the contract at the time of renewal pending review and approval of the AEPA Bid Oversight Committee and AEPA Membership. Requests should be submitted to the AEPA Contract Oversight Committee thirty (30) days prior to the AEPA Winter meeting.
- 3. **Automated System for Pricing (ASP):** The method consisting of an ASP and/or software application (RSMeans, Gordian) that is self-contained and consists of a turn-key solution that includes a complete line-item listing of all of the products, supplies, materials, equipment, services, accessories and options with their description, specifications, terms, conditions and associated pricing for each item, sub-assemblies and/or assemblies. The Bidder provides a percent of discount or fixed multiplier/factor to be applied to total project cost to allow for individual state conditions and requirements and to arrive at the AEPA price.
- 4. **RSMeans (Construction Related Bids Only):** It is important for Vendor Partners to breakout all costs (quantity and price) of all items listed under RS Means or an Alternative Pricing method. This

includes all quoted items not on the approved AEPA bid submittal. The following are minimum requirements for using RSMeans for quoting projects to AEPA Member Agencies.

- a. The Contractors must use the current year and standard cost data. Only the following cost data titles will be excepted:
 - i. Building Construction Cost Data Book
 - ii. Facilities Construction Cost Data
 - iii. Facilities Maintenance & Repair Cost Data
 - iv. Site Work & Landscape Cost Data Book.
 - b. All work proposed under RSMeans must use RSMeans format, even if subcontractors are used. Subcontractors' invoices must tie to the RSMeans spreadsheet.
 - c. A RSMeans spreadsheet must be submitted to substantiate the quote given to the AEPA Member Agency. The spreadsheet columns must reveal the full RSMeans number and a sufficient amount of the description. This also applies to change orders.
 - d. Pricing must be done by Location Codes. National Average will not be allowed. In order to choose the "closest" location code, the first three (3) numbers of the zip code will be used to determine the city location index in the AEPA Member Agency State.
 - e. The AEPA contract holder factor, bonding cost, AEPA discount and taxes if applicable must be shown as separate line items at the bottom of the RSMeans spreadsheet. This information can be shown on a separate summary sheet. The summary sheet must start with the RSMeans spreadsheet total and show the detail for each of the items stated above. This detail will be provided to the AEPA State Agency and AEPA Customer as required.
 - f. All change orders which list items covered by RSMeans must be supported by an RSMeans spreadsheet.
5. **Alternative Method of Costing:** This method covers any product and /or service not covered by catalog pricing, published price list, line-item price list, automated system for pricing, or is a product and/or service due to the projects or applications specifications, conditions and /or requirements that need to be custom designed, developed, manufactured and/or produced to meet the requirements of an individual project or sole source. The alternative pricing is calculated as follows:
- a. The Bidder must prepare, issue and receive three written quotes from available suppliers and select the supplier that offers the products and services that meet the stipulated requirements and specifications and the most cost effective solution. All quotes must be made available upon request.
 - b. The Bidder must indicate the percent of overhead and /or markup as part of their response to be added to these costs to obtain the normal and customary retail price.
 - c. The Bidder must indicate the percent of discount offered to AEPA and its Participating Entities on the normal and customary retail price.
 - d. The AEPA price is calculated by taking the product and services cost to the Contractor plus the indicated percent of profit/overhead to equal the normal and customary retail price. The Contractor will then subtract the approved AEPA discount to obtain the AEPA price. Example: item cost \$1,000; percent of profit/overhead of 20% equals retail price of \$1,200; less the AEPA discount of 10% or \$120 equals the AEPA price of \$1,080.
6. **Secondary Pricing Methods:** Bidders are required to offer Customized Price Lists (Catalog Bids ONLY) and encouraged to offer Hot Lists and Volume Discounts as follows:
- a. **Customized Price List:** Bidders are required to offer customized price lists to Participating Entities for items within the Bidder's Commercially Available Catalog for Catalog Bids ONLY (not pertinent to Line Item Bids).  - iii. Items on the customized price list shall be sold with an additional discount (deeper than what was originally bid on the non-core or catalog discount)
 - iv. Items may not include special order or customized service products unless agreed to by the Vendor Partner.
- b. **Hot List Pricing:** Bidders are invited, at their option, to offer a selection of products/services, defined as a Hot List, at greater discounts than those listed in the standard catalog or core list discounts. Special, time-limited reductions are permissible under the following conditions:
- i. The price reduction is available to all AEPA Member Agencies equally.
 - ii. The price reduction is for a specific time period, no less than thirty (30) days.
 - iii. May be used to discount and liquidate close-out and discontinued products/services as long as those items are clearly labeled as such.
 - iv. The original price for products/services is not exceeded after the time limit.
 - v. The AEPA Oversight Committee and all AEPA Member Agencies shall be notified of any special or time limited price reduction. New prices must be on record fifteen (15) days prior to any offer of the new prices being proposed or offered to AEPA Member Agencies and Participating Entities.
 - vi. Pricing for all Hot List items must be updated on the Vendor Partner's online catalog and submitted to all AEPA Member Agencies in an electronic format that can be posted to websites, emailed and shared with Participating Entities/Buyers.
- c. **Volume Price Discounts:** Bidders are encouraged to offer additional pricing discounts that may be offered for a group of agencies in a local geographic area that desire to combine requirements (one time purchase or annual spend), i.e. local city, county, school district(s), etc. and/or for large one time purchases. Additional volume price discounts are permissible under the following conditions:
- i. Discounts should be tiered and based on spend ranges as established by the Bidder on the Pricing Forms.
 - ii. Volume determination shall be determined between the Vendor Partner and the individual Buyers on a case-by-case basis.
 - iii. All additional discounts are to be offered equally to all AEPA Member Agencies and Participating Entities and be based on the Volume Price Discounts originally bid providing the same or similar volume commitment, specific needs, terms and conditions, a similar time frame, seasonal considerations and provided the same manufacturer support is available to the Vendor Partner.

Any Bidder believing a specification is unnecessarily restrictive, shall indicate such in the form of a question during the solicitation process and prior to bid due date. The fact that a manufacturer or supplier chooses not to produce or supply the commodity, supply, material, equipment, software or services to meet these specifications will not be considered sufficient cause to adjudge these specifications as restrictive. If the Bidder deviates from these specifications, reasons must be stated for such deviation and state why, in their opinion, the commodity, supply, material, equipment, software or services they bid will render equivalent reliability, coverage, performance and/or service. By mutual written agreement, the contract may be extended for three additional 12-month periods, ending on the last day of February. AEPA may choose to recommend the contract extension. If so recommended, an individual Member Agency may choose, at their sole discretion, to extend the contract. In the event AEPA does not recommend or approve a contract extension, a Member Agency reserves the right to offer month-by-month extensions not to exceed six (6) months until a new contract is awarded by that Member Agency.

Termination by Non-Approval of AEPA: AEPA Member Agencies on annual basis assess, evaluate and review existing AEPA vendors to determine if the organization as a whole desires to extend its approval of those vendors. Any termination shall have no effect on projects that are in progress at the time the cancellation is received by the AEPA Member Agency.

Termination for Default: If either party is in default under this contract, it shall have an opportunity to cure the default within the time indicated (ten business days in most states) after it is given written notice of default by the other party, specifying the nature of the default. Upon receipt of the notice of default, the defaulting party shall have ten business days to provide a satisfactory response to the AEPA Member Agency. Failure on the part of the defaulting party to adequately address all issues of concern may result in contract termination. If the default is not cured within the time specified in the notice of default, the non-defaulting party shall have the right, in addition to all other remedies at law or equity, to immediately terminate this contract. Failure to complain of any action, non-action or default under this Agreement shall not constitute a waiver of any of the parties' rights hereunder. The AEPA Member Agency reserves the right to terminate this contract, or any part hereof, for cause in the event of any default by the Vendor Partner, or if the Vendor Partner fails to comply with any contract terms and conditions, or fails to provide the AEPA Member Agency, upon request, with adequate assurances of future performance. In the event of termination for cause, the AEPA Member Agency shall not be liable to the Vendor Partner for any amount for supplies or services not accepted, and the Vendor Partner shall be liable to the AEPA Member Agency or any Participating Entity for any and all rights and remedies provided by law. Such termination will be effected by sending fifteen (15) days written notice to the Vendor Partner. The Buyer's decision as to whether sufficient appropriations and authorizations are available shall be accepted by the Vendor Partner and shall be final.

Title and Risk of Loss: The title and risk of loss of material or service shall not pass to the Buyer purchasing the material or services until it actually receives the material or service at the point of delivery, unless otherwise provided within this document.

Trade-in Equipment: Equipment for trade-in shall be dismantled by the Vendor Partner and removed at its expense. The conditions of the trade-in equipment at the time it is turned over to the Vendor Partner shall be the same as when the original agreement was made, except as affected by normal wear and tear from use between the time of the bid and the trade-in. Values placed on trade-in products are between the Buyer purchasing the new unit and the Vendor Partner.

Type of Bids: Due to the various types, kinds and levels of products and services solicited by AEPA in its IFBs; the various pricing methodologies/methods utilized and offered to price the various products and services offered; and the type of contracts that results from any one of AEPA's/bids, AEPA has established the following two types of bids.

1. **Catalog Bid:** A catalog bid is utilized when the products and/or services solicited are clearly identified with set and specific characteristics, attributes and configurations that are identifiable as a stand-alone single unit and can be listed and priced as a single unit with options that can be added to enhance and/or improve its operation and functionality. The Bidder offers a fixed discount(s) off retail price or prices in a Commercially Available Catalog. The discounts may be for the entire Commercially Available Catalog, for specific products, product lines, manufacturers or category of products as determined by the Bidder. See Pricing section for detailed information on Catalog Pricing.
2. **Line Item Bid:** A Line-item bid is utilized when the products and services solicited cannot be identified or listed as a single unit; consists of a number of different variables and configurations, it is necessary to identify the specific project or application; the end product or solution is made of individually priced elements or components and the end product's or solution's cost is derived by the Vendor Partner specially prepared and providing a quote based on the project's terms, conditions and requirements. See Pricing section for detailed information on Line-Item Pricing.

Vendor Partner: Bidder who has been approved and awarded a contract for the delivery of construction, tangible personal property, supplies, or services in response to this IFB.

Vendor Partner Contact: Vendor Partner will designate one individual who will represent them to the AEPA, its AEPA Member Agencies during the contract period. This contact person will correspond with each AEPA Member Agency for technical assistance, problems, or questions that may arise. If other staff, distributors and/or independent Vendor Partners will be performing the sales or support functions for different geographical areas (states), Vendor Partner shall include instructions and contact information that can be distributed to AEPA Member Agencies upon approval of this bid.

Warranty: Vendor Partner warrants that all commodities, supplies, materials, equipment, software and service delivered under this contract shall conform to the specifications of this contract. All items should carry a warranty equal to the intended life cycle or a minimum 12-month manufacturer's warranty that includes parts and labor unless otherwise specified and agreed to. The manufacturer has the primary responsibility to honor a manufacturer's warranty; a distributor or dealer agrees to assist the purchaser reach a solution in a dispute with the manufacturer over a warranty's terms. Any extended manufacturer's warranty will be passed on to the Buyer. For example, if a voice board has

a three-year warranty, but the board is in a turnkey system that has a one-year warranty, the voice board's three-year warranty must be honored by the manufacturer and the Vendor Partner. All extended warranties must be passed on, without exception. If, upon discovery, the Vendor Partner charges a Buyer for a replacement part that the Vendor Partner actually received at no cost under a warranty, the Vendor Partner will rebate the amount billed and the Buyer reserves the right to cancel the contract.

VI. Member Agency Specific Terms and Conditions

Each state may have special laws relating to this procurement that must be adhered to in addition to the previously stated constraints. *When Member Agency/State Specific Terms and Conditions differ from the General Terms and Conditions, the Member Agency/State Specific Terms and Conditions will prevail.*

Administrative Fees are generally paid to each Member Agency on a quarterly basis. Additional details of how these fees are charged may be found under each state's Terms and Conditions.

A summary of each State's Administrative Fee, any special terms and conditions, and special ordering process requirements is listed here for the convenience of the Bidders.

CalSAVE is the cooperative purchasing program founded by the Monterey County Office of Education and administered by the Epylon Corporation under a contract with MCOE, in cooperation with the California County Superintendents Educational Services Association (CCSESA). MCOE is the lead agency for all Contracts, and the Monterey County Superintendent of Schools is the authority for the solicitation, evaluation and award of all contracts. Epylon serves as MCOE's agent, but only the Monterey County Superintendent of Schools has the authority to award contracts. Correspondence and communication related to the contract award or administration of the program should be directed to Epylon, 630 San Ramon Valley Blvd., Suite 210, Danville, CA 94526.

MCOE reserves the right to change agents or to change the contact name of existing Agent's personnel administering the contract. If Agent or Agent's personnel change, Awarded Contractors/Vendors will be notified with new instructions.

4) Transaction Fees

Transaction Fees are the funding source for the operation of the self-supporting CalSAVE cooperative purchasing program. Awarded Contractors/Vendors shall be required to pay a Transaction Fee for all purchases by LEAs made through the awarded Contract. For the purpose of this bid through Monterey County Office of Education and all Contracts awarded using this document, the Transaction Fee shall be 2 percent of Net Sales, which means gross sales less returns and cancelled orders within 30 days, shipping and sales and other taxes (excluding taxes based on net income). Transaction Fees will not be charged to or paid by the buyers themselves. Neither Awarded Contractor/Vendor nor its designated authorized reseller(s) shall include any additional amount corresponding to the Transaction Fees in the awarded Contract prices. This Transaction Fee applies to all orders, regardless of the method used to submit the order, or the quantity or dollar amount of the order.

Epylon will collect the Transaction Fee on behalf of the CalSAVE program. The Contractor/Vendor will make all participation fee payments within two weeks after sending the quarterly report. Checks are to be made payable to the Epylon Corporation and sent to 630 San Ramon Valley Blvd., Suite 210, Danville, CA 94526.

5) Non-Conforming Jurisdictions

Notwithstanding Section A.4 (immediately above) no Transaction Fee is authorized to be charged to Awarded Contractors/Vendors for sales within any jurisdiction where prohibited by law or local-government policy. Instead, the cost of products, services, licenses and goods sold under this contract in such jurisdictions shall be the same as for all school districts in all other counties of California. However, any LEA using this contract where Section 4 fees are not permitted shall be required to pay a 2 percent fee for use of the contract, imposed by MCOE on the authority of Public Contract Code Section 20118 and 20652, which allows MCOE to charge reasonable costs to the public corporation or agency for furnishing the services incidental to the purchase of items under contract.

6) Reports

The Contractor/Vendor will compile a quarterly report listing each purchase made by participating Agencies under this contract, and send them by the 15th of April, July, October, and January to Racquel Landolf with the e-mail address of rlandolf@epylon.com. These reports shall be in Microsoft Excel format and shall have file names that identify the contractor/vendor and the month being reported. The file at a minimum shall include the fields listed below and shall allow for sorting on any of these fields:

- Date of Order
- Name of Participating Agency (LEA)
- Description of Item Purchased
- Manufacturer's SKU Number
- Quantity
- Contract Unit Price
- Extended Price
- List Price Before AEPA Discount

7) Length of Term

The term of the agreement shall commence on the date of the award and continue as stipulated in General Terms and Conditions, unless terminated, canceled or extended. Contract may be terminated by MCOE if LEAs have not used the contract in any 12-month period, or if orders from participating LEAs do not total \$10,000 in any 12- month period. California statutory term limits and extensions shall apply.

8) Marketing and Advertising under this Agreement

Vendor will actively promote the use of this contract by LEAs in California. Vendor must comply with the marketing plan offered as part of its bid submission. Unless other arrangements are made with the CalSAVE administrator, vendor is also required to perform the following:

- a. Vendor will include the approved CalSAVE logo, web address, and toll free number in all print electronic mail and other advertising and promotion intended for release to California K-12 schools, excluding national marketing releases.
- b. The CalSAVE logo and associated CalSAVE information shall be of a clearly readable size and in appropriate proportion to other elements in the printed material.
- c. Vendor agrees to provide CalSAVE with a copy or proof sheet of the advertisement or promotion material. Vendor will provide CalSAVE with date of release and name of publication, journal, etc.
- d. Vendor shall place a supplied CalSAVE vendor sign on booths, tables, etc. of any or all exhibits for which the vendor displays/participates at California tradeshows, conventions and the like. Vendor will supply in advance scheduled exhibit dates. Vendor agrees to make available at the exhibit CalSAVE supplied brochures or other promotion materials.
- e. Vendor agrees to insert the approved CalSAVE logo, web address, and toll free number on the vendor's web site promoting or a specific CalSAVE landing page and providing a link to the CalSAVE website.
- f. Vendor will supply product catalog information, product description, pricing, etc., in a spreadsheet format as specified by CalSAVE for inclusion on the CalSAVE website.
- g. Vendor agrees to cooperate in developing appropriate website content to promote its products, services and their advantages to school districts.
- h. Requested materials will be submitted to CalSAVE within 30 days.

B. Additional Member Agency Terms and Conditions for Non-Construction Products and Services

1) Conformance to Public Contract Code 20111

An award by the Monterey County Superintendent of Schools under this solicitation will be for the purchase of equipment, materials, supplies, services or repairs to be furnished, sold, or leased in accordance with Public Contract Code 20111 and 20650. Awards shall include allowance for installation and assembly services incidental and necessary to the use of the equipment, materials, supplies and repairs purchased or leased.

2) Conformance to Public Contract Code 20118 and 20652

All public agencies (LEAs) are authorized by law to purchase off a contract awarded by an agency that has itself gone to bid, including all K-12 schools districts, community college districts, special districts and JPAs serving education, pursuant to Public Contract Code Sections 20118 and 20652. Using these statutes, the Monterey County Office of Education hereby declares its intent and authorization to make all contracts awarded under this contract "piggybackable" by other agencies in the state. The Agency waives any right to receive payment from other California agencies making purchases off the awarded contracts and those agencies will make payment directly to the vendors. Any legislative changes to Public Contract Codes 20118 and 20652 during the term of the contract(s) with Award Vendor(s) shall apply to the contract(s) immediately when such changes become law.

3) Additional Piggyback and Standard School Supply and Equipment Authority

The Monterey County Office of Education declares that items, materials, personal property, equipment and licenses under Contract as a result of this Invitation to Bid will qualify as items to be included within its Standard School Supply and Equipment List. Because many County Offices of Education have banded together to create both the EdBuy and the CalSAVE programs for the purpose of collectively creating both a standard School Supply & Equipment List and cooperative contracts, the items solicited and awarded through this bid may also constitute a portion of an official Standard School Supply and Equipment List for other participating County Offices of Education and County Superintendents of Schools. Purchases by other County Offices of Education and LEAs may be made, not only in accordance with Public Contract Code 20118 and 20652, but also in accordance with Education Code 38110 and 38112 dealing with cooperatives and Standard School Supplies & Equipment.

C. Additional Member Agency Terms and Conditions for Construction Products and Services

1) Intended for Personal Property

An award by the Monterey County Superintendent of Schools under this solicitation will be for the purchase of equipment, materials, supplies, services or repairs to be furnished, sold, or leased in accordance with Public Contract Code 20111 and 20650. Awards shall include allowance for installation and assembly services incidental and necessary for use of the equipment, materials, supplies and repairs purchased or leased. When any services or repairs fall into a category of Public Works as defined in Public Contract Code 22002, an LEA may use this California contract only up to \$14,999 for labor and services, but for an unlimited dollar amount for any supplies, materials, equipment or personal property to be staged and ready for use in a local Public Works project.

2) Public Works Limitations

When Public Works services cost \$15,000 or more, an LEA, under most situations, must bid itself independently for the services and labor related to the public work, but may use this contract for the contracted supplies, material or equipment related to the project. If circumstances allow, LEAs may also combine this competitively bid contract with other alternative authorities for Public Works projects as may be allowed by law, such as Public Contract Code 22030, Education Code 17406 or Government Code 1466. LEAs should consult with their own legal counsel to see if such statutes apply to their Public Works projects.

D. Procedure for Processing Orders

1) Start date

Once the award is made to the Contractor/Vendor and signatures have been placed on the contract from both parties, the Awarded Contractor/Vendor is authorized to begin selling to eligible Agencies. MCOE will begin informing LEAs of the Contract once the Contract has been signed.

2) Prices and Requests for Quotes

The Awarded Contractor/Vendor, in cooperation with MCOE's agent, must make provision for LEAs to quickly ascertain bid prices by posting prices, posting a link or contact for prices, distributing catalogs and price lists, responding to requests for quotations, or participating in eCommerce.

The 2 percent Transaction Fee on all sales is a cost of doing business to the vendor and the requirement for the fee is publicly disclosed in these bid documents for the edification of all buying agencies and LEAs. Transaction fees should not appear as a line item on a quotation or on listed bid pricing. The final price quoted or displayed must be inclusive of the participation fee on all pricing and quotations.

3) Submission of Orders and Delivery

After entering into an agreement with MCOE, an LEA electing to use this Contract will enter into a separate contract with the Vendor by way of a purchase order or separate contracting document ("Separate Contract"). Purchase orders will be issued by participating LEAs to contractor/vendor.

LEAs will fax or mail purchase orders directly to the CalSAVE office fax at (866) 488-3729), unless other arrangements have been made and agreed to by the CalSAVE Administrator. LEAs may also use Epylon eCommerce software for transmission of purchase orders. Standard business practice is for all purchase orders received by 3:00 p.m. Pacific Time to be logged and forwarded to the appropriate vendor on the same day received, unless unusual circumstances occur. It is the responsibility of the awarded/Vendor contractor to track any purchase order received directly from an LEA and to include that order on quarterly reports.

Awarded Contractor/Vendor will deliver goods, services and corresponding invoices directly to the participating LEAs and receive payments directly from the participating LEAs as per bid specifications.

E. Agencies Allowed to Purchase under the Member Agency

1) Other Agencies' Right to Purchase.

CalSAVE is a self-supporting contracting program led by the Monterey County Office of Education. Contracts are made available to all California public school districts, private and non-public schools registered with a county office of education or state Department of Education, charter schools, community college districts, eligible state agencies, non-profits (particularly those such as PTAs buying on behalf of schools or government), and any other agency allowed by law – all referred to as LEAs.

Subject to the following terms and conditions, the Monterey County Office of Education (MCOE) consents to LEAs purchasing items at the same unit price(s) or pricing formula under the terms and conditions of this Contract, as may be authorized by Sections 20118 and 20652 of the Public Contract Code or other legal authority:

a) Any other agency (LEA) authorized by law to use this Contract for its own purchase(s) from the Awarded Contractor/Vendor or their authorized resellers shall by default enter into a standard agreement with MCOE, which *inter alia* will include the terms, conditions, and information set forth in this paragraph *a* and paragraphs *b* through *i* below.

b) After entering into a standard agreement with MCOE, an Other Agency electing to use this Contract will enter into a separate contract or purchase order ("Separate Contract") with the contractor/vendor. The Separate Contract is subject to and includes and/or incorporates all applicable terms of this Contract and the specific requirement that the Awarded Contractor/Vendor comply with the provisions set forth in the

paragraph regarding payment of the 2 percent Transaction Fee (or the non-conforming jurisdiction fee) to be collected by the Epylon Corporation. MCOE will not be a party to any Separate Contract, but will be considered a third party beneficiary of such Separate Contract.

c) The Awarded Contractor/Vendor understands and agrees that failure or refusal to comply with the provisions set forth in this agreement regarding payment of the 2 percent Transaction Fee in conjunction with any Separate Contract or any other use of this Contract by an "Other Agency" is grounds for cancellation of the Contract. The Contractor/Vendor also understands and agrees that if the Contract is cancelled for this or any other reason, MCOE may give notice of such cancellation by any other means appropriate to inform LEAs of that cancellation.

d) The MCOE waives any right it may have to require any LEA using this Contract to draw its warrants for the purchase(s) in its favor and consents to each agency making such payment(s) directly to the contractor/vendor.

e) Sales tax and freight/shipping charges included in the Contract apply to the MCOE only. Additional sales tax and freight/shipping charges may be required on purchases by any LEA and are outside the scope of this Contract, unless specifically addressed elsewhere in Part A or Part B of the Terms and Conditions.

f) This Contract and any Separate Contract are for the purchase of the items covered by Contract. An LEA may, however, exercise its authority under Education Code section 17597 or 81645 or other legal authority to sell and lease back any item owned by, or to be owned by, it pursuant to any Separate Contract. The contractor/vendor agrees to take any and all actions requested by any LEA that are necessary to effect any such transfer, by way of example only, accepting payment under the Separate Contract from any third party to whom any such transfer is made.

g) Both the contractor/vendor and any LEA using this Contract agree that the MCOE makes no representation that use of this Contract by any Other Agency is, in fact, authorized by law. In this regard, the MCOE suggests that, at a minimum, Contractor/Vendor and any LEA considering such use consult with their own legal counsels before doing so.

h) Both the contractor/vendor and any LEA using this Contract agree to defend, indemnify and hold the MCOE, the Monterey County Superintendent of Schools, and the Monterey County Board of Education and its members, as well as all of their respective officers, employees and agents, free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any such use.

i) MCOE reserves the right to cancel the whole or any part of this contract due to failure by the contractor to carry out any obligation, term or condition of the contract. MCOE will issue written notice to the contractor for acting or failing to act in any of the following:

- a. The vendor fails to adequately perform the services set forth in the contract
- b. The vendor fails to make progress in the performance of the contract and/or gives MCOE reason to believe that the contractor will not or cannot perform to the requirements of the contract
- c. The contractor fails to observe any of the terms and conditions of the contract
- d. The contract fails to pay Transaction Fees
- e. The contractor fails to follow the established procedure for purchase orders, invoices and receipt of funds as stipulated by the MCOE. MCOE shall follow the following procedure if the contract is to be terminated:
 - Step 1 - Issue a warning letter of concern outlining the violations and length of time to correct the problem(s).
 - Step 2 - Issue a letter of intent to cancel the contract, if the problem(s) is not resolved by a given date.
 - Step 3 - Issue letter to cancel the contract. Upon receipt of the written notice of concern, the contractor shall have ten (10) business days to provide a satisfactory response to MCOE.

Failure on the part of the contractor to address adequately all issues of concern may result in contract cancellation.

2) Other Agencies, Constitutionally Independent Agencies, and Out-of-State Agencies

Other agencies and out-of-state agencies and LEAs may use the contract as allowed by California Government Code Section 6502, which says, "If authorized by their legislative or other governing bodies, two or more public agencies by agreement may jointly exercise any power common to the contracting parties, even though one or more of the contracting agencies may be located outside this state. It shall not be necessary that any power common to the contracting parties be exercisable by each such contracting party with respect to the geographical area in which such power is to be jointly exercised. For purposes of this section, two or more public agencies having the power to conduct agricultural, livestock, industrial, cultural, or other fairs or exhibitions shall be deemed to have common power with respect to any such fair or exhibition conducted by any one or more of such public agencies or by an entity created pursuant to a joint powers agreement entered into by such public agencies."

2. Colorado, Colorado BOCES Association (CBA)

A. *Additional Agency Terms and Conditions*

Advertising: CBA will require a marketing flier, in electronic format, and timely updates from each vendor promoting the contract and AEPA/CBA relationship. CBA will assist in the development of the marketing flier and other appropriate materials which will include logos representing the vendor/AEPA/CBA. This flier will be for distribution and dissemination to all qualified customers through the CBA website and other appropriate and available methods.

Sales to Qualified Customers: Boards of Cooperative Educational Services (BOCES) in Colorado are legislatively created cooperative organizations directed by Colorado state statute 22-105 to serve all qualified agencies in a cooperative manner. BOCES are governed by publicly elected officials and by state and federal laws. No agency is obligated to use these services and contracts, but they find the benefits of low price and the satisfied bidding process most advantageous. Qualified agencies in Colorado include all public or private educational institutions, K-12 and higher education, all non-profit organizations, and all county or local governmental agencies. CBA requires that all participating vendors offer the Agency contract opportunities to all qualified customers.

A. ***Procedure for Processing Orders:*** Once the award is made to the vendor.

- CBA will inform its members of the contract by:
 - i.* Including the contract in the agency database that is available on the CBA website
 - ii.* Announcing the award through normal communication channels, CBA member presentations as well as regular electronic and direct mail communications.
 - iii.* Offering the opportunity to the vendor to publish their marketing information on the CBA website link to cooperative purchasing opportunities.
- A listing of CBA members, institutional names, contact names, addresses and phone numbers is available to the vendors through the CBA website. At this point the vendor must contact the members and qualified customers; and the customers have the right to contact the vendors directly. Note: CBA requires the awarded vendors to take ownership and actively promote the contract in cooperation with CBA to all members and qualified customers.
- When the customer identifies a desired product or service as available through the AEPA/CBA contract and agrees on price as presented to the customer by the awarded AEPA/CBA vendor, the customer then issues to the vendor a purchase order for that item or service.
- The awarded price must include an additional two percent (2%) administrative fee in the total cost (not as a separate line item), based on the total cost of goods and services including installation. This fee is to be forwarded by the vendor to CBA after the sale and payment is made to the vendor. Payment shall be made to CBA on a quarterly basis along with the complete sale report as specified in the general terms and conditions.
- The sale and transaction may continue without delay or anticipation of the CBA denial of said transaction.
- The administrative fee percentage (2%) is based on the total sale of goods and services including installation and must be included in the original cost quoted to the customer. In the event of a lease, the total administrative fee for the value of goods and services shall be paid to CBA by the vendor at the front end of the lease.
- Vendor makes all deliveries and installation of products and services. CBA does not warehouse items nor provide services.

3. Connecticut, Capitol Region Education Council (CREC)

A. *ADDITIONAL MEMBER AGENCY GENERAL TERMS AND CONDITIONS*

Applicability of Contract Provisions to Connecticut Participants - The Capitol Region Education Council (CREC) is the AEPA Member Agency. Any entity that uses the contract awarded by CREC under this document is referred to as a "Participant." The bidder that is awarded the contract by CREC is referred to as the "Contractor."

Modification to Bid Language in the AEPA Invitation for Bid - The Bidder by submitting its bid hereby declares that this Bid is made without any connection with any other person or persons making any proposal for the same items, that it is in all respects fair and without collusion or fraud and that no person acting for or employed by CREC or a Participant is directly or indirectly interested in the proposal or in the goods or services to which it relates, or in any portion of the profits therefrom.

Modifications and Additions to Contract Language in the AEPA Invitation for Bid

A. Event of default and termination of Contract:

CREC shall have the right to cancel the contract based upon a default by Contractor. A Participant shall have the right to cancel its purchase arrangement based on a default by the Contractor with regard to such purchase arrangement. In addition, CREC and each Participant reserves the right to withhold payments for goods and services that are not in compliance with the terms of the contract or if the Contractor is in default. Any of the following shall be a default under the contract: 1) The Contractor fails to adequately perform the services set forth in the contract; 2) Contractor fails to deliver all or any part of the goods, or delivers defective goods; 3) The Contractor fails to make progress in the performance of the contract and/or does not deliver within the agreed-upon schedules; 4) The Contractor fails to observe any of the terms and conditions of the contract, including, without limitation, assigning the contract and/or failing to deliver required insurance or performance bonds; 5) The Contractor fails to follow the established procedure for purchase orders, invoices and receipt of funds as stipulated by the Participant; or 6) the Contractor has become insolvent, makes an assignment for the benefit of creditors, files a voluntary petition in bankruptcy or is subject to an involuntary petition in bankruptcy not discharged within thirty (30) days. CREC and each Participant shall follow the following procedure if the contract or purchase order is to be terminated:

Step 1 – Issue a warning letter of concern outlining the violations and length of time to correct the problem(s). The length of time to correct the problem shall be determined by CREC or the Participant, as applicable, in its sole discretion, based on the problem.

Step 2 – Issue a letter of intent to cancel the contract or purchase order, if the problem(s) is not resolved by the given date.

Step 3 – Issue the letter to cancel contract or purchase order.

Upon receipt of the written notice of concern, the Contractor shall have ten (10) business days to provide a satisfactory response to CREC and the Participant that provided the notices. Failure on the part of the Contractor to address adequately all issues or concerns may result in contract cancellation.

The remedy to terminate and withhold payments is in addition to any other remedies CREC and the Participants may have. In the event of Contract termination by a Participant, such Participant's payment obligation shall cease as of the final date on which services in accordance with this Contract are last performed by the Contractor. Upon termination of this Contract under this section, the Contractor (and its surety) will be responsible for all of such Participant's expenses, losses and damages incurred in replacing Contractor for the remainder of the term of the Contract.

B. Assignment:

Contractor shall not subcontract, assign, transfer, convey, sublet or otherwise dispose of its/his/her contractual duties to any other person, firm, or corporation, without the previous written consent of CREC and any Participant that has an outstanding open purchase order or financing arrangement. If the Contractor wants to assign its/his/her right to payment of the Contract, Contractor shall notify CREC and any Participant that has an outstanding open purchase order or financing arrangement immediately, in writing, of such assignment of right to payment. In no case shall such assignment of Contract relieve the Contractor from its/his/her obligations or change the terms of the Contract.

C. Indemnification:

Contractor shall indemnify, defend, keep and save harmless CREC, each Participant and its respective agents, officials, employees and volunteers (each an "Indemnified Party") against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses (including attorneys' fees) which result from, arise out of, or in connection with the performance, or breach of performance, under the Contract of Contractor and any of its/his/her employees, agents or personnel. The Contractor shall, at its/his/her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith; and if any judgment shall be rendered against the Indemnified Party in any such action, the Contractor shall, at its/his/her own expense, satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Indemnified Party as herein provided.

D. Participant Policies:

The Contractor must be familiar with a Participant's policies or regulations which affect the services provided under this Contract and that have been or will be distributed during the term of this Contract. Policies and regulations include but are not limited to school district or organization policies, town policies, charters, and ordinances.

As each municipality, board of education, governmental agency, educational institution, and non-profit organization in the State of Connecticut may have or may be required to have, individual policies and procedures for the procurement of goods and services; and as one of the aforementioned institutions/agencies may be dependent upon the policies/procedures of another institution or agency, it is required for the Contractor to be familiar with the policies of the Participant that impact the purchase. In limited situations, there may be State statutes which govern the allowability of purchases to be reimbursed by State funding. The Participant should obtain its own legal advice on these statutes prior to purchasing under a contract.

E. Performance Bonds:

Each Participant may require a performance bond in the case of services to be performed under the Contract if required. The Contractor shall furnish to the Participant a Surety Performance Bond ("Performance Bond") with an option to renew each succeeding year of the Contract in a form satisfactory to the Participant assuring the faithful performance of the Contract. The Bond shall be equal to one hundred percent (100%) of each year's estimated Contract price as reviewed and agreed upon by the Participant, and shall be continued for the life of the Contract in amounts equal to one hundred percent (100%) of each year's estimated Contract price as reviewed and agreed upon by the Participant. The Contractor must send such Performance Bond to the Participant prior to the commencement of any services under the Contract. Each such Performance Bond shall be furnished by a surety company acceptable to the Participant and licensed or authorized to do business in Connecticut and New England. Failure to deliver the

bond shall be considered a default under the Contract, at the discretion of and upon notice by the Participant.

F. Governing law:

This Contract shall be governed by, and construed and enforced in accordance with, the laws of the State of Connecticut without regard to its conflicts of laws principles.

Conflict of Interest

The Contractor shall disclose any relationship with a CREC employee that would not be considered an "arms-length" or independent transaction, as described below. This disclosure must be made in writing to CREC for an evaluation. CREC will respond to this disclosure in writing.

A CREC employee (including independent contractors for purposes of this definition) placing an order or recommending a vendor must disclose any relationship with that vendor which would not be considered an "arms-length" or independent transaction. This disclosure must be made in writing to CREC for an evaluation. CREC will respond to this disclosure in writing.

For a transaction to be considered "arms-length" or "independent", a CREC employee should not be influenced, dependent upon, guided or controlled by a vendor into choosing that vendor, or item to purchase; nor should it appear to a third party that a CREC employee made a purchasing decision which appears to be based upon a personal relationship between the CREC employee and vendor.

The following are examples when a transaction is NOT considered arms-length or independent: (1) when there exists a personal relationship between a CREC employee and a vendor, (2) when there exists the potential for a personal benefit to a CREC employee, or (3) the parties to a business deal are dependent upon one another for "something" other than the purchase itself.

In addition, the Contractor shall, if given a copy of the potential Participant's conflict of interest policy, follow the process in that policy, or otherwise disclose to a potential Participant any relationship that would not be considered an "arms-length" or independent transaction with that Participant, as described above. This disclosure must be made in writing to the chief official (for example, the Superintendent at a board of education) at the potential Participant.

Determination of the existence of a conflict of interest does not prohibit CREC and/or a Participant from entering into the contract and purchase order, respectively.

Financing Arrangements - Any financing arrangements (including lease purchasing arrangements) will be made directly between the Contractor and a Participant. Financing arrangements may be subject to additional laws, rules and regulations, terms and conditions not described in this document and are subject to separate negotiation with each Participant that is interested in such an arrangement. Each Participant should seek its own legal advice prior to entering into a financing arrangement. CREC must receive a report annually summarizing the executed lease purchases along with the summary of the customer purchases. CREC will not collect lease payments or be involved in the terms and conditions of the lease. All lease arrangements are between the Contractor and the Participant only.

Affirmative Action - The Contractor must have an employment policy that there shall be no discrimination against anyone on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, physical disability or sexual orientation in the hiring, upgrading, demotions, recruitment, termination and selections for training, in any manner prohibited by the laws of the United States or of the State of Connecticut. The Contractor further agrees to be an "affirmative action-equal opportunity employer."

Independent Contractor - The Contractor shall not be held or deemed in any way to be the agent or employee of CREC and/or a Participant. It is the intention of the parties that the Contractor shall be and is to be considered an independent contractor.

Incorporation of Bid Documents - The bid documents, including all appendices executed by Contractor that have been accepted by CREC (the "Bid") are specifically incorporated into this Contract.

Freedom of Information Act - The Contractor acknowledges that CREC and some Participants are subject to the Freedom of Information Act, Connecticut General Statutes Sections 1-200 et seq., and submitted to CREC and/or such Participants may be made available to the public under the provisions of the Freedom of Information Act.

Marketing and Advertising - Contractor agrees to provide CREC with a copy or proof sheet of all advertisements, customer communications or promotional material for prior approval.

D. PROCEDURES FOR PROCESSING ORDERS

To the extent not otherwise described in this document, once a purchase order is issued by a Participant to a Contractor, all of the provisions of the contract shall benefit and be enforceable by such Participant, unless specifically identified as applying to CREC only.

Sales made in any of these states using the AEPA contract are to be reported to CREC, with the 2.0% administrative fee made payable to CREC. The Contractor must advise CREC its intent to use the contract in any of these states.

All Terms and Conditions for Connecticut apply to work in these states. It is the Contractor's obligation to ensure that the purchaser fully understands the AEPA contract, including whether it is allowable under applicable state regulations.

4. Florida, Panhandle Area Education Consortium

A. Additional Agency Terms and Conditions

Vendor Contact: Vendor will designate to the Panhandle Area Educational Consortium (PAEC), one individual who will represent them during the agreement period. This contact person will correspond with each ordering member for technical assistance, problems, or questions that may arise, including instructions if different contacts for different geographical areas are needed. This information will be distributed to all school districts upon award of this bid. Vendors may use this contract to sell products or services in addition to school districts to any government agency, non-profit organizations or institutions.

Vendor agrees to abide by all federal, state and local laws and regulations. It is the responsibility of the Vendor to determine applicability and requirements of any such laws and to abide by them.

B. Procedures For Processing Orders

This contact person will correspond with each ordering member for technical assistance, problems, or questions that may arise. Include instructions if different contacts for different geographical areas are needed; this information will be distributed to Kentucky Bidding Cooperative members upon award of this bid.

The following Federal Clauses are required as a part of KY bid documents:

1. CLEAN AIR/CLEAN WATER

- A. Vendor Partner agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251 et seq). Vendor Partner agrees to report each violation to the USDA and the appropriate EPA Regional Office.
- B. Vendor Partner agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Vendor Partner agrees to report each violation to the USDA and the appropriate EPA Regional Office.

2. SUSPENSION AND DEBARMENT

Vendor Partner understands that a contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

By signing and submitting its bid or proposal, the bidder or proposer certifies as follows: The certification in this clause is a material representation of fact relied upon by GRREC. If it is later determined that Vendor Partner knowingly rendered an erroneous certification, in addition to remedies available to GRREC, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. "Domestic Commodity or Product" are defined as an agricultural commodity that is produced in the United States and a food product that is processed in the United States using substantial agricultural commodities that are produced in the United States.

“Substantial” means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards School Food Authorities (“SFAs”) must comply with when purchasing commercial food products served in the school meals programs.

Buy American: AEPA Member Agencies or Participating Entities participating in the federal school meal programs are required to purchase domestic commodities and products for school meals to the maximum extent practicable. Domestic commodity or product means an agricultural commodity that is produced in the US and a food product that is processed in the US substantially (at least 51 percent) using agricultural commodities that are produced in the US.

Federal regulations require that all foods purchased for Child Nutrition Program be of domestic origin to the maximum extent practicable. While rare, two (2) exceptions may exist when: the product is not produced or manufactured in the US in sufficient, reasonable and available quantities of a satisfactory quality, such as bananas and pineapple; and competitive proposals reveal the cost of a domestic product is significantly higher than a non-domestic product.

ALL products that are normally purchased by Vendor Partner as non-domestic and proposed as part of this contract must be identified with the country of origin. Vendor Partner shall outline their procedures to notify GRREC when products are purchased as non-domestic.

Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing, by GRREC, prior to the delivery of the product to the AEPA Member Agency or Participating Entities. Any non-domestic product delivered to the AEPA Member Agencies or Participating Entities, without the prior, written approval of GRREC will be rejected.

A list of members, contact names, addresses and phone numbers is made available to the Contractor. At this point the Contractor/vendor contacts the members and members may contact the Contractor/vendor. When the member identifies a product or service, it will issue a purchase order for that item to the vendor. The vendor's price will include a two percent (2%) administrative fee that the vendor will collect from the member and remit to GRREC on a quarterly basis. Municipal and county governments, and other governmental, quasi-governmental, or nonprofit organization price will reflect a two percent (2%) administrative fee. On the occasion that an AEPA contract awarded by Kentucky is utilized by public school and public non-school entities in other states, purchases in these instances will also reflect a two percent (2%) administrative fee. The vendor will also compile and provide to GRREC a quarterly report showing all purchases made by Kentucky members (with specific detail as to what purchases were made by which members) under this contract. Further, if no purchases are made in any given quarter, the Vendor shall remit a "No Activities" statement to GRREC for that quarter. Additional members may include other public educational institutions, public colleges or universities, community colleges, vocational or technical schools, municipal governments, and other governmental, quasi-governmental, or non-profit organizations. The MRESC Cooperative Pricing System currently has 684 members located in all 21 Counties of the State of New Jersey.

CONFLICT OF INTEREST

An MRESC employee (including independent contractors for purposes of this definition) placing an order or recommending a vendor must disclose any relationship with that vendor which would not be considered an “arms-length” or independent transaction. This disclosure must be made in writing to the Business Administrator and/or Chief Financial Officer for an evaluation. The Business Administrator and/or the Chief Financial Officer will respond to this disclosure in writing.

For a transaction to be considered “arms-length” or “independent”, an MRESC employee should not be influenced, dependent upon, guided or controlled by a vendor into choosing that vendor, or item to purchase; nor should it appear to a third party that an MRESC employee made a purchasing decision which appears to be based upon a personal relationship between the MRESC employee and vendor.

The following are examples when a transaction is NOT considered arms-length or independent: (1) when there exists a personal relationship between an MRESC employee and a vendor, (2) when there exists the potential for a personal benefit to an MRESC employee, or (3) the parties to a business deal are dependent upon one another for “something” other than the purchase itself.

The Contractor shall disclose any relationship with a MRESC employee that would not be considered an “arms-length” or independent transaction, as described above. This disclosure must be made in writing to the Business Administrator and/or the Chief Financial Officer for an evaluation. The Business Administrator and/or the Chief Financial Officer will respond to this disclosure in writing.

In addition, the Contractor shall, if given a copy of the potential New Jersey Participant’s conflict of interest policy, follow the process in that policy, or otherwise disclose to a potential New Jersey Participant any relationship that would not be considered an “arms-length” or independent transaction with that New Jersey Participant, as described above. This disclosure must be made in writing to the chief official (for example, the Superintendent at a board of education) at the potential New Jersey Participant.

Determination of the existence of a conflict of interest does not prohibit MRESC and/or a New Jersey Participant from entering into the contract and purchase order, respectively.

Lease and Rentals: The offeror can allow CES Members to enter into rent, lease, or purchase agreements, providing such agreements are in compliance with New Mexico statutes, rules, and regulations. CES must receive a copy of the executed leasing documents prior to processing a purchase order. CES will not collect lease payments. All terms of leasing must be included in the proposal with interest rates described as related to a government lease agreement. The offeror must indicate if the shipping costs for the return of leased or rented equipment are the responsibility of the CES Member and what that cost will be. No sale of a contract to a third party will be made without informing CES and the CES Member of the transfer. If the offeror sells a lease contract to a third party, the cost of return must not be greater than the cost of return to the original Contractor.

As required by New Mexico law, the lease agreement with the CES Member or Participating Entity will need to contain a termination provision for Non-Appropriation of Funds. In the event no funds or insufficient funds are appropriated and budgeted by CES, its Members or Participating Entities (Lessee) governing body or are otherwise unavailable in any fiscal year for the payment of lease and other amounts due under any lease, the lease shall terminate on the last day of the fiscal period for which appropriations were received or other amounts are available to pay amounts due under the lease without penalty or expense to the Lessee. It is the decision of CES, its Members, or Participating Entities to determine the sufficiency of funds, which determination shall be accepted by the Lessor and is final. The Lessee shall give the Lessor or its Assignee written notice at least thirty (30) days in advance of such occurrence.

Legal Remedies: All claims and controversies are subject to the New Mexico Procurement Code, NMSA 1978, and Sections 13-1-21 through 13-1-199.

Local Representation: Depending on the type and level of products and services offered, the Vendor must demonstrate their sales, support, and service staff are physically located where they can respond to and deliver services in a timely and cost effective manner.

Manufacture Endorsement: The bidder must demonstrate it is an authorized distributor of the products and services offered, has access to manufacturer's technical support and warranty services, and possesses the certifications required to install, configure, and maintain the products offered within the state of New Mexico.

Marketing: Once the award is made to the Contractor, CES will, in conjunction with the Contractor, develop a marketing strategy on how the contract will be presented to its Members and Participating Entities. CES

informs its Members and Participating Entities of the contract by: 1) including the contract in the agency database that is available on the CES website, 2) announcing the award in its periodic newsletter, 3) publishing the contract information in a catalog disseminated to all Members, and 4) attending a number of conferences and promoting its existing contracts. A list of Members' and Participating Entities' names, contact names, addresses, and phone numbers can be viewed or downloaded by going to CES' website (www.ces.org).

Multiple Awards: AEPA approved Vendors must service a required number of the AEPA Member States which does not allow New Mexico or regional Vendors to participate. CES has determined that it is in its Members and Participating Entities best interest, and in order to provide local Vendors the opportunity, CES conducts public solicitations for local and/or regional Vendors in some of the same product and service areas. Therefore, CES may have existing CES contracts in place with local or regional Vendors.

New Mexico Procurement Code: Sections 13-1-21 through 13-1-199 NMSA 1978 may be cited as the "Procurement Code".

Offer Acceptance Period to Execute a Contract with CES: In order to allow CES the opportunity to evaluate the bids approved by AEPA, CES requires that the AEPA approved Vendor submit to CES a complete electronic copy of its response to AEPA's solicitation within fifteen (15) days of CES request. CES will issue its supplemental packet within thirty (30) days after receipt and review of the approved Vendor response. The approved Vendor will have fifteen (15) days to return the CES supplemental packet. After CES receives the requested information in the supplemental packet, CES will issue a contract for the products and services as approved by AEPA.

Offeror's Support for CES Prices: Because the resulting CES awarded contracts are based on publically solicited sealed bids, Members are exempt from having to issue their own individual solicitation. The additional value CES brings to the transactions is its oversight, support services, and assurance that the procurement complies and adheres to the New Mexico Procurement Code. The service and convenience of processing orders through one agency, CES, simplifies the procurement process. If problems occur, the Member has the assistance of CES in reaching a satisfactory solution.

Therefore, for CES to comply with the intent of State of New Mexico cooperative purchasing statute and to provide its Members and Participating Entities the best value, CES requires that Vendors offer prices lower than what they would offer on single school district contracts in New Mexico, other cooperative purchasing contracts available to New Mexico public institutions, and agencies or state purchasing contracts for equal or less volume. Vendors that awarded a CES contract under this solicitation must lead with and/or offer their CES contract. As the agencies' first option, however, it is understood that it has the option to use whatever procurement method they choose.

Ordering Process: CES currently offers two procurement/purchasing options: the traditional and ecommerce methods.

1. Traditional Method: Orders accepted will be processed by:
 - a. The Contractor provides a written quote or proposal to the CES customer. When a final quote or proposal is agreed upon, a copy is provided to CES. When preparing a quote or proposal under a CES awarded contract, the Contractor must clearly identify and separate supplies, materials, equipment, and services into individual line items as they appear on the Contractor's awarded price schedule. Stated prices must include the CES two percent (2%) administrative fee.
 - b. The CES Member or Participating Entity issues a purchase order to CES based on the quote or proposal provided referencing the Contractor's CES contract number.
 - c. When CES receives the Member's or Participating Entity's purchase order, it verifies the quote or proposal with the Contractor's CES contract pricing to ensure compliance. CES issues a purchase order to the Contractor for the contract pricing less two percent (2%) CES administrative fee.

- d. The Contractor provides the items or services and invoices CES for an amount not to exceed the amount of CES' purchase order to the Contractor. Invoices must only be issued to CES.
 - e. CES verifies the Contractor's invoice received and issues a CES invoice to its Member or Participating Entity.
 - f. The Member or Participating Entity pays CES, and CES pays the Contractor for items and services delivered and accepted by the CES Member or Participating Entity and retains its 2% percent administrative fee.
2. Ecommerce (online ordering) Method: This allows the CES Members and Participating Entities to log on to the Contractor's website which contains only those products and services covered under the Contractor's CES awarded contract. The Contractor delivers the product/services, sends an invoice to the Member/Participating Entity, the CES Member or Participating Entity pays the Contractor, and the Contractor rebates to CES the two percent (2%) administrative fee.

Ownership of Materials and Documents: CES, its Members or Participating Entities shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through Contractor's work pursuant to this Contract. Contractor, for valuable consideration herein provided, shall execute all documents necessary to assign and transfer to, and vest in CES, its Members or Participating Entities all Contractor's rights, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to Contractor's work under this Contract.

Patent and Copyright Infringement: Contractor will, at their expense, defend CES and its Members and Participating Entities against any claim that any equipment or software supplied hereunder (even if such equipment or software are modified by CES or its Members, subject to the last paragraph of this section) infringe a patent or copyright in the United States, or a U.S. Territory, and will pay all costs, damages and attorney's fees that a court finally awards as a result of such a claim. To qualify for such a defense and payment, CES must:

1. Give Contractor prompt written notice of any such claim after becoming aware of such claim.
2. Allow Contractor to control and fully cooperate with Contractor in the defense and all related settlement negotiations.

CES will be reimbursed for all expenses incurred by CES in fully cooperating with Contractor as specifically requested by contract. CES is not required to incur any expenses specified in this paragraph, which are not reimbursable, by the Contractor. If any CES Member and Participating Entities are involved by any party in any way, the same provisions that apply to CES in this paragraph will apply to the CES Member or Participating Entity. Contractor's obligation under this section is conditioned on CES' agreement that if the subject of such a claim, CES will permit the Contractor, at its expense and option, either to procure the right for CES and its Members or Participating Entity to continue using the equipment and/or software, or to replace or so modify with equipment or software which are functionally equivalent so that they become non-infringing. If neither of the foregoing alternatives is available on terms which are reasonable in Contractor's judgment and satisfactory to CES, CES will request its Members or Participating Entity to return the equipment or software on written request by Contractor at Contractor's expense.

Contractor agrees to refund CES and/or its Members or Participating Entities a refund for returned equipment as depreciated unless otherwise mutually agreeable in writing. The depreciation will be an equal amount per year over six (6) years. In the event that Contractor's written request for return is made after full depreciation, the Contractor will pay CES, or its Members who purchased the equipment, an amount equivalent to the fair market value of the returned equipment. If CES, or any of its Members or Participating Entities, fails to return the equipment, the Contractor is not obligated to that Member under this clause.

Contractor will have no obligation with respect to any such claim based upon a Member's or Participating Entity's modification of the equipment or software or combination, operation or use with apparatus, data or

programs not furnished by Contractor. However, one Member's or Participating Entity's action will not preclude Contractor's obligation to others not having modified their equipment or software.

Payment Processing: All payments must be invoiced through CES, unless online ordering is approved by CES. If any payment is delayed beyond 45 days from the due date, the Contractor agrees not to charge CES interest on the late payment. Any late charges will be the total responsibility of the procurement unit. The Contractor can extend any due date to avoid the requirement to pay interest. Acceptance of final payment is a waiver of all claims, with the exception of unsettled claims previously made in writing.

Price List: The AEPA Vendor will submit to CES and/or its Members and Participating Entities (if requested), or make available on its website all applicable pricing for all products and services proposed, approved, and awarded under this solicitation. Price lists submitted must be in accordance and comply with the AEPA's terms, conditions, and the requirements of the CES purchasing process utilized to facilitate eligible procurement agencies' staff to place and process orders. When utilizing any of the pricing methodologies identified and required within this solicitation, such discounts and pricing will include the CES two (2%) percent administrative fee, must be submitted in the format required, and can be audited by CES.

Provisions Required by Law: Each and every provision of law and any clause required by law to be in the contract will be read and enforced as though it were included herein, and, if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon application of either party, the contract will forthwith be physically amended to make such insertion or correction.

The receiving agency will notify CES, the Contractor and/or Freight Company promptly of any damaged goods, and will assist the Freight Company and/or Contractor in arranging for inspection. No F.O.B. vessel, car or other vehicle terms will be accepted.

1. NMGRT does not apply to delivery charges to the CES Member or Participating Entity location.
2. NMGRT does not apply to non-construction supplies, materials, and equipment.
3. NMGRT does apply to services and professional services based on the location of the provider.

Upon receipt of a written notice, the Contractor will have ten (10) days to provide a satisfactory response in writing to CES. Failure on the part of the Contractor to satisfactorily respond can result in CES terminating the contract.

Termination for Gratuity: CES shall, by written notice, cancel this contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any employee of CES with a view toward securing a contract or the respect to the performance of the contract. Paying the expenses of normal business meals, which are generally made available to all eligible school and government employees, shall not be prohibited by this paragraph. Samples of software, equipment, or hardware provided to CES for demonstration, evaluation, or loan purposes are not considered gratuities.

Termination for Non-Appropriation: Any individual Member's or Participating Entities' project covered by this IFB may be terminated if insufficient appropriations or authorizations do not exist due to changes in state or federal law, or because of court order, or because of insufficient appropriations made available to Members or Participating Entities governing board and/or the New Mexico State Legislature. Such termination will be effected by sending fifteen (15) days written notice to the Contractor. The Contractor will pay all mechanics and laborers employed on the site of the project by the Contractor, unconditionally and not less than once a week, and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment, computed at wage rates not less than those stated in the advertised specifications.
2. The New Mexico Department of Workforce Solutions requires that certain forms be completed for every project that needs a wage decision issued. CES, CES Member or Participating Entity will submit for the wage decision and, upon receipt of the decision, will provide it to the Prime Contractor. The Contractor is responsible for completing and submitting the required forms to the NM Department of Workforce Solutions and must provide CES with a copy of the following: NOTIFICATION OF AWARD, STATEMENT OF INTENT TO PAY PREVAILING WAGES, and AFFIDAVIT OF WAGES PAID.

2. Final payment of a contract, for which progress payments have been made, will not be made until the project is totally completed (including punch list items and close out document delivered), and the final application for payment is signed by the CES Member or Participating Entity, received and audited by CES.

3. If the CES Member or Participating Entity and the Prime Contractor agree to retainage or a substitute security, the agreement must be in full compliance with New Mexico Procurement Code and applicable laws. If a substitute security or retainage is agreed upon, written notice must be provided to all parties prior to the issuing of a CES purchase order.

NMPSFA: New Mexico Public School Facilities Authority is the administrative unit created by the State of New Mexico legislature to carry out and act on behalf of the Public School Capital Outlay Council (PSCOC) to administer, coordinate and provide general oversight for “state-funded construction”, which is defined as a building or appurtenance to a building that is built in whole or in part with state capital outlay monies. As part of their oversight function, NMPSFA will receive and review construction project documents and coordinate with other state agencies such as NMCID, Environment Department, Department of Energy, Minerals and Natural Resources, State Fire Marshal’s Office, etc., to ensure compliance with all applicable adequacy standards, rules, regulations, building, plumbing, electrical, fire prevention, and mechanical codes adopted by the state, county, city, town or fire district in which the construction project is located.

 - A. Should test results prove that a material is not functionally equal to or better than specified, the prime Contractor will pay for all testing and any cost incurred to have materials installed to replace those found not to comply with the specifications, and remove and dispose of the nonconforming materials.
2. Should the Member/Participating Entity and the Contractor encounter a situation and/or condition that they cannot agree on or resolve during the execution of the project and/or during the project close-out process, CES has consultants under contract that either of the parties can engage to review, investigate, evaluate, and issue a written report on their findings and propose recommendations/solutions for addressing the concerns and issues.

Site Cleanup: Contractor will clean up and remove all debris resulting from its work as required by the Member/Participating Entity. The contractor shall comply with all laws and regulations governing disposal of construction and hazardous materials. Upon completion of the work, the premises will be left in a neat, unobstructed condition with everything in good repair and order.

Site Examination: Contractor shall familiarize itself with the site, in order to anticipate unseen problems that may develop as the work progresses. Failure to have visited the site before submitting a job order proposal shall in no way relieve the contractor from furnishing any materials or performing any work

required to complete the project in accordance with the contract documents, without additional cost to the CES Member/Participating Entity.

Site Preparation: Prior to a purchase order being issued by a CES Member or Participating Entity, the size, location and site conditions that exist at the time the contractor takes possession and/or control must be clearly identified and stated in writing. The contractor will not begin a project for which the site is not prepared or in the condition agreed upon in writing by the CES Member or Participating Entity, unless contractor decides to accept the site as is and is willing to perform the preparation work necessary at no cost, or until the CES Member or Participating Entity has included the cost of site preparation in a purchase order to CES. Site preparation may include, but is not limited to clearing the site, securing the site, installing wiring for networks or power and similar pre-installation requirements.

Subcontractors: If it is necessary for the Offeror to contract with third party firms to provide various goods and services, the following will apply:

1. In awarding subcontracts, the Contractor agrees that any subcontract competitively solicited by Contractor will not be awarded solely upon membership, non-membership or affiliation in a union or professional association or other organized group or agency, but on a competitive bid and ability to meet the specifications and comply with the requirements of the individual project.
2. Subcontractor shall be registered with New Mexico Department of Workforce Solutions, Public Works section (13-4-14.1 NMSA 1978).
3. CES, its' Members and Participating Entities reserves the right to approve or reject any subcontractor listed in the Offeror's project proposal.
4. Subcontractors shall provide performance and payment bonds to Prime Contractor if the subcontract is greater than \$125,000 (13-1-148.1 NMSA 1978).
5. The Contractor will not enter into any subcontract without prior notification and approval from CES its' Member or Participating Entity. Any such subcontract shall incorporate by reference the terms and conditions of this solicitation and each individual project contract.
6. No subcontracts will be entered into with any unlicensed party. Contractor must use Subcontractors openly, include such arrangements in the proposal and certify upon request that such use complies with the rules of the NMCID and the New Mexico Public Works Act and New Mexico Procurement Code. No subcontracting costs can be hidden in a cost proposal to CES.
7. Subcontractor Payment: Contractor agrees to pay Subcontractors in a timely manner and in accordance with the New Mexico Subcontractors Act. If Contractor receives a progress payment from CES, the Contractor will pay its Subcontractor(s) their correct proportion of the amount paid. CES will provide release of liens from Subcontractors within fifteen (15) days of date of payment. Failure to pay Subcontractors for work faithfully performed and properly invoiced can result in the suspension or cancellation of this contract.
8. Subcontractor's labor used must be of a standing or affiliation that will permit the work to be carried on harmoniously, without delay and will not cause any disturbance, interference or delay to the progress of the project. Subcontractor and lower-tier Subcontractors will not employ anyone whose employment might be objected to by Prime Contractor or Member.

C. Procedure for Processing Orders

Ordering Process: CES currently offers two procurement/purchasing options: the traditional and ecommerce methods.

1. Traditional Method: Orders accepted will be processed by:
 - a. The Contractor provides a written quote or proposal to the customer. When a final quote or proposal is agreed upon, a copy is provided to CES. When preparing a quote or proposal under a CES awarded contract, the Contractor must clearly identify and separate supplies, materials, equipment, and services into individual line items as they appear on the Contractor's awarded price schedule or pricing methodology. Stated prices must include the CES two percent (2%) administrative fee.

- b. The CES Member or Participating Entity issues a purchase order to CES based on the quote or proposal provided referencing the Contractor's specified CES contract number.
 - c. When CES receives the Member's or Participating Entity's purchase order, it verifies the quote or proposal with the Contractor's CES contract to ensure compliance. CES issues a purchase order to the Contractor for two percent (2%) less than the Contractor's quote and the Member's or Participating Entity's purchase order.
 - d. The Contractor provides the items or services and invoices CES for an amount not to exceed the amount of CES' purchase order to the Contractor. Invoices must only be issued to CES.
 - e. CES verifies the Contractor's invoice received and issues a CES invoice to its Member or Participating Entity.
 - f. The Member or Participating Entity pays CES, and CES pays the Contractor for items and services delivered and accepted by the Member or Participating Entity and retains its 2% percent administrative fee.
2. Ecommerce (online ordering) Method: This allows the CES Members and Participating Entities to log on to the Contractor's website which contains only those products and services covered under the Contractor's CES awarded contract. The Contractor delivers the product and services, sends an invoice to the CES Member or Participating Entity, the CES Member or Participating Entity pays the Contractor, and the Contractor rebates the CES administrative fee to CES.

Progress Payments Processing: All progress payments must be invoiced through CES. It is the responsibility of the CES Member or Participating Entity and/or its designee to review and approve any estimates of work completed. If the CES Member or Participating Entity and/or their designee issues a written statement to the Contractor that the estimate of work is not approved and certified, the CES Member or Participating Entity may withhold an amount from the progress payment determined to be reasonably sufficient to cover the deficiency set forth in the written finding. In such cases, the Contractor agrees to hold CES, its' Members and Participating Entities harmless for any deficiency of payment. If any payment is delayed beyond 45 days from the due date, the Contractor agrees not to charge CES interest on the late payment. Any late charges will be the total responsibility of the CES Member or Participating Entity. The Contractor can extend any due date to avoid the requirement to pay interest. Acceptance of final payment is a waiver of all claims, with the exception of unsettled claims previously made in writing.

NDESC will not collect lease payments or be involved in the terms and conditions of the lease. All lease arrangements are between the Vendor and the NDESC member. Vendor agrees that leases will be in compliance with the Uniform Commercial Code. A two percent (2%) administrative fee must be included in the lease cost based on the total value of the goods and applicable services purchased. This fee is referred to under ordering process.
3. Training Seminar: The contracted Vendor and their participating sub-contractors are required to participate in an online training session that is designed to educate the vendor and subcontractor on the purpose and nature of NDESC. The contracted Vendor will not be marketed to NDESC participating agencies until they have completed the training seminar.

B. *Additional Participating Agency Terms and Conditions for Non-Construction Products and Services*

If requested by CPC, the contracted Vendor will work with CPC to develop an order form, or order forms, containing the most commonly purchased items, that CPC can utilize to market the Vendor to its participating agencies.

C. *Additional Participating Agency Terms and Conditions for Construction Related Products and Services*

Upon acceptance and approval of the Vendor's offer by AEPA, NDESC will independently consider the offer and conduct a conference call with the Vendor to determine if the Vendor is able to meet the necessary requirements for construction related products and services, according to [Chapter 48-01.2 of the North Dakota Century Code](#), and to enter and execute a contract in the state of North Dakota. Once NDESC and the Vendor are able to confirm that business is able to be conducted in North Dakota, NDESC will make a final decision to complete the contract execution process.

For all quotes provided to participating agencies, for construction related projects, products and services, the contracted vendor must also send a duplicate quote to CPC. The quote provided to CPC must include the contact information of the participating agency.

D. *Procedure for Contract Award, Notification and Processing Orders*

Once the award is recommended by the AEPA Review Committee, NDESC considers the recommendation based on the value of the potential contract for its qualified members. Member is defined in Section C. 1. The contract opportunity is listed and promoted on the NDESC website.

3. NDESC will publish the contract and marketing information through a hard copy marketing flier and electronic email. Contracts are promoted through PDF and hard copy product catalog distributed at statewide trade shows and member meetings on a regular basis. NDESC may assist in the development of the marketing flier and material (if requested by Vendor), but in all cases shall have authority to review and

approve any marketing materials. If a web site is used, the link will be made available from the NDESC web page. Any web page or link, or other marketing tools shall be dedicated to AEPA information only.

4. When the member identifies a desired product or service, the member and the Vendor may negotiate with each other to establish a description of items and/or services. The Vendor shall quote a price to the member, in writing, using AEPA established discounts and including the two percent (2%) administrative fee in the quoted price. The administrative fee shall be based upon the total cost of goods and/or service including installation costs. The administrative fee shall not be listed as a separate line item on the quote. When a member decides to purchase through the NDESC-AEPA contract, the member issues the purchase order directly to the vendor. The purchase order must include the total invoiced cost, based on the total cost of goods, service, and installation, including the two-percent (2%) administrative fee.
5. Notification will be made to the Vendor in the event the purchase order is not in compliance with the contract and adjustments will be made at that time. NDESC and the Vendor will mutually resolve any issues with regard to past purchases. The purchase orders are to continue to be processed and viewed as approved unless notified by NDESC otherwise. All sales and transactions may continue without delay or in anticipation of the NDESC purchase order verification.
6. Once all the items and services on the purchase order have been delivered to the member in a complete and satisfactory manner, the Vendor then files a copy of the final invoice, which is available to NDESC by request in support of the quarterly sales summary. The invoice is to be marked "Copy".
7. Vendor makes all deliveries and installations of products and services. NDESC does not warehouse items or provide services.
8. NDESC's participating agencies purchasing construction related products and/or services may, as required by statute, or at their discretion, require the Vendor to post a performance bond.
9. This administrative fee is to be paid by the vendor to NDESC quarterly within 20 working days after the end of each fiscal quarter. The AEPA vendor shall also submit to NDESC a sales report, in Excel format, listing the following information:

 - Name of purchasing agency
 - Address of purchasing agency
 - Date of sale
 - Standard sale price
 - Sale price with AEPA discount
 - Administrative fee generated by sale
 - Savings generated by sale

This report shall include all sales made and payments received by the vendor in said quarter. The administrative fee payment shall be delivered to Jane Eastes, NDESC, 1001 E. Mt. Faith, Fergus Falls, MN 56537. The check shall be made out to NDESC.

10. In the event of a lease, the total administrative fee for the value of goods shall be paid to NDESC by the Vendor at the front end of the lease. NDESC reserves the right to review all purchase orders and lease documents to insure contract compliance.

A. *Additional Agency Terms and Conditions*

Intermountain Education Service District ("IMESD") is an educational service district organized under the laws of the STATE OF OREGON. Pursuant to Oregon Law ORS 279A and IMESD is authorized to cooperate with other entities and in such regard is authorized to cooperate with them in the purchasing of goods and services pursuant to these contract documents. As other entities cooperate with IMESD to take advantage of the goods and services made available pursuant to these contract documents, the terms and conditions of any such sales shall be in accordance with the contract documents.

Additionally Senate Bill 3184 enables Oregon's Education Service Districts to offer the services they provide to component school districts to other organizations. For the past 10 years, the InterMountain ESD (formerly Umatilla-Morrow ESD) has been a leader in expanding revenue available for schools and IMESD programs by providing these services outside of 19 local school districts. (Reference: [ORS 334.185](#))

Under Oregon public contracting rules, each individual public agency will have its own local rules it must adhere to, in addition to statewide public contracting laws. InterMountain Education Service District does not presume that its cooperative purchasing program will necessarily comply with every agency's internal public contracting rules. We always advise potential customers to review the bid solicitation carefully and recommend review by their legal department and/or procurement personnel to assure that contracting laws are complied with.

ADVERTISING AND MARKETING: Bidders must demonstrate they possess the necessary resources and have a proven track record to market, offer, obtain, deliver, install and provide the sales and technical support services to IMESD and its participating agencies within the state of Oregon in a timely and cost effective manner.

APPLICABLE LAW AND VENUE: Any dispute arising out of any of the contract documents, or out of their performance, shall be decided by litigation in the Circuit Court of the State of Oregon in the county of Owner's residence, the parties consenting to jurisdiction in said court and permanently waiving jurisdiction in any other court, state or federal. In the event of litigation the prevailing party shall be entitled to an award of reasonable attorney's fees and costs at trial and upon any appeal thereof.

In the event that the successful bidder breaches a term of condition of a contract awarded, the IMESD may terminate the contract. In addition to the right to terminate due to the successful bidder's breach, and all other rights and remedies contained in other provisions, the IMESD reserves all its rights and remedies at law and in equity available due to the breach.

HAZARDOUS CHEMICALS: The Successful bidder shall supply current MSDS for all products as required below even if these sheets have been supplied in previous years.

The agencies participating on IMESD agreement will need MSDS and labels for certain products defined as hazardous chemicals by the State of Oregon in accordance with ORS 654.025(2) and 656.726(3). The successful bidder has the responsibility to determine such products and to provide MSDS and labels for such products. The MSDS shall be received by the IMESD by or at the time of the initial shipment of such products. These requirements have been determined by the State of Oregon Workers Compensation Department, and published as Oregon Administrative Rules 437, Division 2 Hazard Communication. This document is available from Hazard Communication Coordinator, Accident Prevention Division, State of Oregon, Labor and Industries Building, 350 Winter St. NE, Salem, OR 97310, phone: (503) 378-3272 or (800) 922-2689 any local Accident Prevention Division Office.

HOLD HARMLESS: Bidders shall indemnify, hold harmless, and defend the IMESD from any and all liabilities, settlements, losses, penalties, costs, expenses, attorney fees (including attorney fees on appeal) in collection with any action, suit or claim based upon or allegedly based upon, resulting from or allegedly resulting from the successful bidder's negligence, omission, activities or services provided pursuant to a contract awarded to such bidder.

LAW OF THE STATE OF OREGON: Any contract between the IMESD and a bidder shall be entered into within the State of Oregon, and the laws of said state, whether substantive or procedural, shall apply to the contract.

In addition to any requirements listed, vendor shall comply with all, current, applicable state, federal and local laws, regulations and ordinances. If through mistake or otherwise any such provision is omitted then submission by either IMESD or the vendor-partner the contract shall be amended to make such inclusion or correction. IMESD Also reserves the right to amend the contract resulting from state law changes. Vendor-partners will be sent written notification of such changes.

SEVERABILITY: The parties agree that if any term or provision of a resultant contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular term or provision held to be invalid.

TAXES: Taxes, whether State or Federal, shall not be included in bid prices. Our Employer Identification No: 93-6000924 indicated our tax exemption status as a political subdivision. Contractor must certify compliance with the Oregon tax laws in accordance with ORS 305.385 when applicable.

D. Procedures for Processing Orders

Once the award is made to the vendor, IMESD will market these contracts by: 1) including the contract on the IMESD website, 2) announcing the award in flyers, and 3) attending vendor events throughout school year. A list of schools, contact names, addresses and phone number can be accessed through the Oregon Department of Education website. At this point the vendor contacts schools and schools may contact the vendor. When the school/agency identifies a product or services and agrees on price it issues to Vendor a purchase order for that item or service, referencing the AEPA Bid number. The purchase order must include an additional one percent (2%) administrative fee in the total to be forwarded by the vendor to IMESD after the sale. All participating vendors agree to and are subject to audit proceedings of IMESD member sales.

Upon receipt of the purchase order, the vendor provides the goods or service listed on the purchase order. It is important to remember the vendor makes delivery to the member unless other arrangements are made in cooperation with IMESD. When all items and services on the purchase order have been delivered to the member in a complete and satisfactory manner, vendor then invoices the member for the goods and service. This invoice includes the additional one percent (2%) administrative fee to the total amount invoiced of the goods or service provided by the vendor. This percent is based on the total sales of goods or services. The member then pays the vendor including the one percent (2%) administrative fee. IMESD then invoices the Vendor for the 2% administrative fee based on the sale of goods and services collected by the vendor.

E. Agency Members Purchasing under the UMESD

The InterMountain Education Service District (IMESD) participates in a national non-profit organization, the Association of Educational Purchasing Agencies (AEPA), which is a procurement vehicle. AEPA goals include working to secure multi-state volume purchasing contracts with benefits that are measureable, cost-effective and continuously exceed our state member's expectations. InterMountain Education Service District is the member agency representing Oregon in AEPA through an IMESD board approved Memorandum of Understanding between all participating states that are all political subdivisions related to K-12 education. All AEPA bids have been advertised by IMESD in Oregon.

Pursuant to Oregon Law, ORS 279A, InterMountain Education Service District is authorized to offer these contracts to other government entities including school districts, state universities, community colleges, special districts, local and state government.

There is no fee or annual dues to become an IMESD agency member to purchase. InterMountain Education Service District's contract management efforts are funded by a nominal administrative fee paid by the vendor based on sales volume.

The County of Fairfax acts only as the "Contracting Agent" for these public bodies. It is the Contractors responsibility to notify the public body(s) of the availability of the contract(s). Other public bodies desiring to use this contract will need to make their own legal determinations as to whether the use of this contract is consistent with their laws, regulations, and other policies. A Power of Attorney must accompany the bid bond and must appoint the surety's true and lawful attorney-in-fact to make, execute, seal and deliver the bid guarantee bond. Failure to submit the required bid security with the Bid shall render the bid non-responsive and the bid shall be rejected.
- **Public Works:**
State of Washington statute requires workers be paid prevailing wages when employed on public works projects and on public building service maintenance contracts. (RCW 39.04.010, RCW 39.12.010 and 020) It is the contractor's responsibility to be acquainted with and comply with State

regulations regarding payment of prevailing wages on public works projects. Prevailing Wages are established by the Washington State Department of Labor and Industries and can be obtained on the web at <http://www.lni.wa.gov/TradesLicensing/PrevWage/WageRates/default.asp> or by contacting Labor and Industries at 360-902-5335. KCDA serves all counties in Washington State. The County in which the project is located will be identified once a member initiates a request for the service, and the effective wage rate to be applied to a specific project is to be based on the date of this bid during the original contract term, and if contract extensions are granted, the prevailing wage rate in affect at the time of the latest extension. A copy of the applicable prevailing wage rates are also available for viewing at the office of KCDA. Upon request KCDA will mail a hard copy of the applicable prevailing wages.

Application: The Public Works Act regulates wages paid to workers, laborers and mechanics performing public work. It does not apply to work that is clerical, executive administrative or professional in nature. It does not apply to work of a secretary, engineer or administrator, unless they are performing construction work, alteration work, repair work, etc. Prevailing wage application depends on the work that is performed, regardless of the worker's job title. (RCW 39.12.020 and WAC 296-128-510 through 530)

Definition:

Public Works is all work, construction, alteration, repair or improvement that is executed at the cost of the state or any other local public agency. This includes, but is not limited to, demolition, remodeling, renovation, road construction, building construction, ferry construction and utilities construction. (RCW 39.04.010)

Public Building Service Maintenance Contracts: Prevailing wages are also required on all public building service maintenance (janitorial) contracts. (RCW 39.12.020)

Contractors bidding a Public works project exceeding \$1,000,000.00 must declare who their HVAC, Plumbing and Electrical subcontractors will be and submit this information with bid documents in order for the bid to be responsive (RCW 39.30.060). Such projects also have special considerations pertaining to prefabricated materials (RCW 39.04.370) and use of apprentices (39.04.320).

Reciprocity: In accordance with RCW 39.04.380 any bidding process for public works in which a bid is received from a nonresident contractor from a state that provides a percentage bidding preference, a comparable percentage disadvantage must be applied to the bid of that nonresident contractor. This does not apply to public works procured pursuant to RCW 39.04.155, 39.04.280 or other procurement exempt from competitive bidding.

- **Prevailing Wage:**
Definition: Prevailing Wage is the hourly wage, usual benefits and overtime, paid in the largest city in each county, to the majority of workers, laborers and mechanics. The rate is established by the Department of Labor and Industries for each trade and occupation employed in the performance of public work. If Federal funds are used, bidders must comply with provisions of Davis-Bacon Act.

Basic procedures: A Statement of Intent to Pay Prevailing Wages and Affidavit of Wages Paid must be filed and approved for the contractor and all subcontractors. No payments can be made until all Contractors/Vendors have submitted an approved intent form. KCDA cannot release retainage until all Contractors/Vendors have an approved Affidavit of Wages Paid form certified by the Industrial Statistician. (RCW 39.12.030, 040, 042). Costs for filing shall be the responsibility of the Contractor. Once the work is successfully completed, KCDA will release 95% of the project cost and withhold 5% retainage for as dictated by law. The final 5% will be paid when the following is completed: acceptance of project completion to the satisfaction of the KCDA ordering member, followed by

receipt of approved Affidavit of Wages Paid Forms, Releases from Washington State Department of Labor & Industries, Employment Security Department and the Department of Revenue.

Federally Funded Projects: In addition to the Federal Requirements of Section III General Terms and Conditions, Davis-Bacon prevailing wage requirements apply to public works construction contracts of \$2000 or more when a project includes any federal funding of any amount. When there is a difference between applicable state and federal prevailing wages for a particular classification of labor, contractors and subcontractors are required to pay the higher of the two prevailing wages. Applicable federal prevailing wage determinations can be found at <http://www.wdol.gov/>. Contractors/Subcontractors must be knowledgeable and adhere to all federal prevailing wage requirements, including but not limited to paying workers weekly and providing certified weekly payrolls for the contractor and subcontractors of any tier as required in the Davis-Bacon Act and applicable U.S. Department of Labor regulations. Falsification of any prevailing wage payroll records may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of Title 18 and section 231 of Title 31 of the United States Code. Contractor shall inform all subcontractors of the Davis-Bacon requirements and the prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses. Contractor must coordinate all requirements related to federal funded projects with the KCDA member Agency.
