MagMaster Magnetic Belt Tool Holder

#55426

Using the MagMaster is like having a third hand, allowing you to keep your tools and your hardware easily within reach and without hassle. Its robust magnet is surprisingly strong, holding everything from basic tools to a 6 lb. sledgehammer with ease. The design is low-profile which makes this fit for everyday carry, and its spring-steel clip fits any belt up to 1.75 in (45mm).

FEATURES

- Safe to use around smartphones
- Milled aluminum frame
- Hard rubber cap to protect tools and provide grip
- Magnetic Strength: 3-7lbs

Night Buddy Headlamp

#59875

With the Night Buddy Headlamp, you have both hands available to get the job done. The lamp is 100% waterproof – made for performance in extreme conditions. The wave sensor turns the side lamp on and off. The strip-light on the band creates a 230-degree angle of light to provide better peripheral vision without shadows. Switch to red-light mode to reduce glare and keep bugs at bay. The 8-hour battery life ensures that you have reliable lighting when you need it most, and the strap is fully adjustable to accommodate any head size.

5 LIGHT MODES:

White Bright | White Dim | White Strobe | White Spotlight | Red Light
