

Audio Solutions

Engage Every Student

Audio Enhancement® was founded on the belief that learning begins with hearing. Classroom audio is at the core of everything we do. Each Classroom Audio System delivers the teacher's natural voice and multimedia audio to every student in the room at an enhanced, consistent volume. Our flexible Classroom Audio Systems can be used in any learning environment.

Speak. Distribute. Hear.

Wireless microphones provide hands free instruction and boost student confidence to speak up and participate in class.

Revolutionary audio technology distributes sound throughout the classroom to amplifiers and speakers.

Powerful sound technology helps students hear anywhere in the classroom and supports dynamic multimedia lessons.

95%

of students agree that classroom amplification makes it easier for them to hear their teacher

92%

of students agree they want to use an amplification system in their classroom
